The Message of Love Patrick Mitchel,2019-09-19 Love such a deceptively simple and popular little word It is universally agreed that we need love to live and flourish as human beings and yet within our contemporary culture there are numerous confusing competing and evolving ideas about what love is There are few greater subjects in Christian theology than love yet it is a surprisingly complex and challenging concept to understand let alone live out faithfully Patrick Mitchel s conviction is

that Christians need to be thinking about and practising love in compelling and authentic ways Our task is not only to articulate what love is but also to show to the world what true Christian love looks like in practice The only thing that counts is faith expressing itself through love Gal 5 6 NIV Mitchel s exposition explores love in the Old Testament how the love of God is supremely revealed in the mission and death of Jesus Christ love in the life and teaching of Jesus and the church s calling to be a community of love He helps us to grasp afresh the breadth depth scope and radically counter cultural nature of the Bible s teaching on love With a fully integrated study guide suitable for both individuals and groups The Message of Love will help you to see how the Bible s unified teaching on this vital theme can impact your life today *KJV Standard Lesson Commentary® 2020-2021* Standard Publishing,2020-06-01 As the world s most popular annual Bible commentary for more than two decades Standard Lesson Commentary SLC provides 52 weeks of study in a single volume and combines thorough Bible study with relevant examples and questions Key features include Verse by verse explanation of the Bible Text Detailed lesson context Pronunciation guide for difficult words Printed Scripture Discussion starters A review quiz for each quarter Available in the King James Version KJV and New International Version NIV Bible translations the SLC is based on the popular Uniform Series This series developed by scholars from numerous church fellowships outlines an in depth study of the Bible over a six year period The four main themes of the 2020 2021 study are Love for One Another Genesis 1 Samuel Luke John Acts 1 Corinthians James 1 John Call in the New Testament Gospels Acts Romans 1 Corinthians Hebrews Prophets Faithful to God s Covenant Deuteronomy Joshua 1 2 Kings Ezra Nehemiah Lamentations Prophets Confident Hope Leviticus Matthew Luke Romans 2 Corinthians Hebrews 1 John The SLC is perfect as the primary resource for an adult Sunday school class for personal study or as a supplemental resource for any curriculum that follows the ISSL Uniform Series Nearly three dozen ministers teachers and Christian education specialists contribute their expertise to SLC The Deluxe Edition features online and download access for the Standard Lesson eCommentary Access is available through your choice of Logos Bible Software or Wordsearch Starter Engine Both software options include the full text of the Standard Lesson Commentary both KJV and NIV editions as well as Full text of the KJV Bible Full color visual resources Student activity reproducible pages Quarterly quiz More than a dozen additional helps and resource *The Charles F.
