Loving My Lot A Young Moms Journey To Contentment:

Loving My Lot Jeanne Harrison, 2015-04-13 Sometimes motherhood feels exhilarating And if we re honest sometimes it feels like being poked to death by plastic spoons So begins one of the frank reflections from Jeanne Harrison s gospel centered blog turned book Divided into five sections this collection of articles captures the journey of a young wife and mom wrestling to see Christ in the everyday world of competitive parenting idolatrous homemaking fickle love and painful surrender With a rare combination of vulnerability and strength *Loving My Lot* is for every woman who s ever struggled to embrace the life she s been given And for every woman who longs to draw closer to the One who gave it to her *The Mother's Assistant and Young Lady's Friend* , 1841 The Path of Happiness Trudy Joy, 2017-08-29 Have you ever had a feeling within you that felt bigger than you a knowing and overwhelming feeling that you must act upon something unknown When Trudy separated from her husband she needed something that would give her and her young daughter some hope some optimism and reassurance that their future life as a single parent family was going to be okay Trudy needed to understand that she was not the only one who was feeling unsure and insecure that she wasn't alone sailing in an ocean of heartbreak and uncertainty She wanted to read that someone had come through the worst of times and been able to create a positive new happily balanced life for themselves and their children When she found websites geared towards single parents their words of wisdom were very matter of fact Within the words there was nothing that seemed personal that she could connect to directly She didn't read anything that gave her the warm inner glow of comfort And *The Path of Happiness* was born Learning as she went Trudy found that writing about the incidents she encountered and had dealt with helped her with the rejuvenation process itself Challenges were surmounted goals reached and with each one Trudy learned a little more about herself Written from experience *The Path of Happiness* is Trudy's first hand survival guide for single parents with tips on everything from budgeting and lifestyle to dealing with the emotional rollercoaster and other obstacles encountered on her and her daughters journey Happiness: the scientific path to achieving well-being Vincenzo Berghella, 2013-11-17 The scientific evidence behind what makes people happy and the steps which we should take to achieve well being are reviewed The six intentional activities to create happiness are highlighted Practical exercise to increase your levels of happiness are listed Over 340 references are quoted at the end A Moment in Time A Journey of Happiness, Love, Laughter, Grief and Sorrow Chris M. an awareness of the draining distractions that rob us of joy satisfaction gratitude and trust In this book Tracy explores the life of Paul the Apostle to show how we can live a life of fulfillment no matter the circumstances Using the Biblical book of Philippians Tracy presents contentment as a crucial practice for all followers of Jesus She distinguishes the differences between happiness shallow and short term and contentment deep and lasting examines our tendency toward entitlement and acknowledges the fear and anxiety when life gets tough With her lyrical prose profound insight and heart for people Lisa Bevere New York Times bestselling author Tracy offers encouragement and confidence as she helps you learn the secret of contentment and helps you focus on all that is good and true and beautiful so you can see your life anew **The Mother's**
