Kenneth Hagin Walking By Faith:

Walking by Faith Kenneth E. Hagin, 2003-03 Each lesson in this comprehensive study guide will help the believer achieve a workable operation of faith in his life a faith that works How to Not See What You're Looking At: Walking by Faith & Not by Sight Karen Y. Hosey, 2011-06 We are just like you We've faced tragedy some the result of bad decisions others just a part of living in this sinful world but no matter what we faced the Word We didn't always get it right but God did Through our various trials God was faithful to reveal more of Himself and much of what He revealed was how traditional preaching was a roadblock to our ability to walk in the fullness of His covenant Meet Karen Married for over thirty years to a good man a good man who didn't believe in God it was only after his death that she learned from her mistakes in an unequally yoked relationship If you have an unsaved loved one spouse parent child her mistakes could save you from making your own Meet Judy She was married to the love of her life living in their dream home and enjoying life with her family When her life appeared to follow the same path as Job's with tragedy following tragedy she learned an important lesson a lesson we all need to learn Although in different ways Karen and Judy overcame seemingly impossible situations Their stories will give hope and inspiration in God's faithfulness and love as you learn How to Not See What You're Looking At Walking By Faith and Not By Sight **My Alamo Wins - A Walk of Faith** Buster Desselles, 2024-01-30 After securing God's acknowledgment that it is okay by Him that I pursue my heart's desire to be a pilot I leave Broken Arrow Oklahoma taking with me the teachings of Pastor Terry L Mize practical applications of God's Word every day expecting some form of manifestation of God's presence knowing that He has an interest in my best interest Part 1 is about learning who I am in Christ Jesus Part 2 chronicles twenty five years of walking by faith seeing lifelong prayers being answered witnessing heart's desires being affirmed and experiencing the manifestation of dreams come true Part 3 records five years of life wherein it appears that one financial decision does not transpire in a way that I was taught It is here that readers see a condition of hopelessness and despair where it seems all hell broke loose to affect my downfall It is spiritual warfare and I liken the condition with that of being confined within the walls of an old Spanish mission originally called San Antonio de Valero Commencing with the financial crisis of 2009 2010 not only mine but also my family's dreams are shattered I find it difficult to press on Living by faith is strenuous I know however that it is my defining moment my moment of destiny Grounded in solid teaching I take a stand against overwhelming forces seemingly all around me trusting that my pleas for help to the Most High will not fall upon deaf ears believing that financial help will soon arrive It is not unlike that of 1836 wherein 182 Texans resolved to take a stand against an opposing force of over two thousand heavily armed men an overwhelming odds of ten to one Contrary to Texas history however in the end my Alamo wins Prosperity Gospel? Word of Faith Movement: Eden Redeemed Mikael Stenhammar,2021-12-16 This volume approaches the Word of Faith as a worldview and analyses the movement through N T Wright s model for worldview analysis in order to provide necessary nuance and complexity to scholarly interpretations of the Word of Faith The reader receives insights into the movement s narrative semiotic practical and propositional dimensions which cumulatively offer a multifaceted understanding of how the Word of Faith interprets reality and engages with the world The analysis shows that there is a narrative core to Word of Faith beliefs in the form of a unique theological story with focus set on the present restoration of Eden s authority and blessings This study demonstrates how the Word of Faith operates as a distinct worldview that parses the world through the lens of faith s causative power to affect a direct correspondence between present reality and Eden s perfection The findings advance a critical and therapeutic approach that acknowledges how the worldview both strengthens and subverts Pentecostalism

A Different Gospel Dan R McConnell,2011-12-22 The name it claim it theology of the Word Faith Movement is presented as biblical but is it In this compelling book McConnell documents the historical link between faith theology and New Thought metaphysics He then analyzes faith theology s doctrines of healing and prosperity as well as its understanding of the atonement of Christ to show how they deviate from biblical teaching This updated edition features a foreword by Hank Hanegraaff and an afterword by McConnell Softcover from Hendrickson *How to Walk in Love* Kenneth E. Corbin,2013-11-29 Our God is a God of faith and it takes faith to please Him It is easy to have faith in the little things and many Christians exercise their faith by what they can see hear and or feel but omit to realise that God revealed Himself through Jesus and set Jesus before us as the One to whom we must entrust ourselves for salvation This Christian book explains what faith is and elaborates on how we are to mature our faith through a relationship with Jesus in order to experience God at work in our lives This book explains through examples how we as Christians are to walk by faith and not be dependent on our feelings or circumstances by realising that faith is simply the hand that takes from the hand of God

Theologies of the Gospel in Context David Schnasa Jacobsen,2017-08-25 Many preachers and teachers of preaching talk about the gospel few name it Theologies of the Gospel in Context assembles a gifted group of homileticsians who think that preachers need to be able to articulate the gospel not in general but in a certain time and place in context They consider what gospel sounds like for people under oppression in capitalist economies in neocolonial contexts for survivors of trauma and for disestablished mainline churches marred by racism Preachers will appreciate these preacher scholars desire to articulate the gospel with clarity especially since the term is so often left unexplained Homileticsians will see a new genre of doing their work as teachers and researchers in preaching a vision that helps preaching see itself not just as an adjunct to exegesis or communication but a place of doing theology In these pages homiletics is more than technique it is a truly theological discipline
