Kenny And Me Bananas Forever:

Cupid Stunts: The Life & Radio Times Of Kenny Everett David Stafford, Caroline Stafford, 2013-05-29 On paper Kenny Everett's qualifications did not look promising with little in the way of education physique or social skills What he had was a gift for funny voices an oblique imagination and a way with a tape recorder Yet the British radio revolution in the 60s and 70s needed these exact qualities Ever a corporate player Kenny was frequently fired but still went on to reinvent television Meanwhile outside the studios the challenge to get a life brought moments of ecstasy frequent bother and at least one suicide attempt And at the exact moment when tabloid frenzy about the AIDS epidemic reached its peak he came out This new biography based on intricate documentary research as well as interviews with colleagues friends and enemies including Alexei Sayle Barry Cryer David Mallet and Whispering Bob Harris not only gets under the skin of the man but also gives a taste of the times Cupid Stunts covers the novelty and excitement of hearing all pop radio for the first time the terror and bluster of the high ups the brilliant blossoming of gay culture throughout the 70s and 80s and the tragedy and vile hypocrisy that surrounded the AIDS epidemic *The Power of Positive Drinking* Cleo Rocos, 2013-04-11 The Power of Positive Drinking isn't a guide on how to get drunk It is a guide to how to drink well Drinking has a bad reputation in some quarters But that's largely because we don't drink properly as we have not yet been initiated in the art of drinking well Most of us know plenty about healthy eating but next to nothing about healthy drinking This is Cleo Rocos master class on how to imbibe successfully on how to reach that delicious level of intoxication where you and your fellow drinkers blossom into the favourite version of yourselves and stay there From Rocos we learn how to ensure that every drinking occasion snowballs into a glorious and triumphant event Inside these pages lie the secrets of alcohol The finest hints and tips on stylish drinking gleaned from seasoned and successful drinkers around the globe failsafe recipes for some of the world's greatest snifters martini recipes margarita recipes mojitos and cosmopolitans along with a few of Cleo's own specialities guaranteed to avoid that awful hangover Enjoy this book responsibly **Encyclopedia of Radio 3-Volume Set** Christopher H. Sterling, 2004-03 Produced in association with the Museum of Broadcast Communications in Chicago the Encyclopedia of Radio includes more than 600 entries covering major countries and regions of the world as well as specific programs and people networks and organizations regulation and policies audience research and radio's technology This encyclopedic work will be the first broadly conceived reference source on a medium that is now nearly eighty years old with essays that provide essential information on the subject as well as comment on the significance of the particular person organization or topic being examined Bananas Forever Cleo Rocos, Topping, 1998 Cleo Rocos first met Kenny Everett when she was 15 This account of their friendship is a recollection of the times they spent together doing everything and going everywhere together and keeping in touch by sending each other bananas Спиртные напитки. USA who had the good fortune to grow up in a small town in the 1950s and 1960s I didn't have an extraordinary childhood but rather I had an extraordinarily ordinary childhood There were tears and laughter good times and bad times friends and enemies but most of all there was a freedom that seems to have vanished from this land we live in We were free to be kids in a way that generations to come will look back on with envy and this book will take you back to those days when the living was easy but sometimes the wrath of Dad wasn't It will take you back to that first fight that first kiss and all the glorious often inglorious times that came after all the firsts of your childhood I dare say there will be times as you read these sometimes slightly embellished accounts of my youth when you will say Hey That's me He's writing about me And you know what You might be right Right that is if back in the day you were just a boy **As Cool As I Am** Pete Fromm, 2007-04-01

Healing Lives Broken Dreams A Son's Tragedy A Mother's Grief A Miracle of Recovery is the heartbreaking story of one mother's loss and of a child's death before his life truly began *Kenny and Me* Cleo Rocos, Richard Topping, 1999-07 A tribute to Kenny Everett by colleague and playmate Cleo Rocos who adored him from the moment they met on the set of his TV show She recalls the time spent together with the comedian capturing the humour charm and energy which made their friendship so special until his tragic death in 1995 **This Was at a Time** Cindy Parks, 2025-07-15

With an adventuresome spirit and minimal preparation a young woman shares her story of departing from Oklahoma on her bicycle with three men heading toward the state of New York Her high school sweetheart studies paper maps and helps guide the crew on rural roads They carry their own supplies and endure the springtime thunderstorms As the sun begins to set they start looking for places to bed down such as church lawns strangers' acreages and old barns The journey takes place at a time when folks answered their landline telephones wrote handwritten letters received their news from three television stations and sang the same popular songs on radio stations nationwide The glory the pain the beauty the agony the people the conversations and the love are all shared The narrative is autobiographical historical inspirational and heartwarming
