Keystone Corruption A Pennsylvania Insiders View Of A State Gone Wrong:

Keystone Corruption Brad Bumsted, 2013-09-09 Keystone Corruption A Pennsylvania Insider's View of a State Gone Wrong traces the cyclical nature of misconduct in Pennsylvania government over the course of the last hundred years. Most of the book focuses on corruption since the 1970s when the author had a front row seat during the unprecedented scandals of 2007 through 2012. The book is not intended as a complete history. It includes the author's impressions of powerful legislative leaders and top aides who abused the taxpayers in ways that did not like many of the allegations against them land in criminal court. When it came to crimes from Bonusgate to Computergate and the BIG caper, Bumsted tracked the cases at every turn. Cover page 4

It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789-1824, the Register of Debates in Congress 1824-1837, and the Congressional Globe 1833-1873.

Keystone Corruption Continues Brad Bumsted, 2016 Once again a crime wave swept through Pennsylvania state government. During a 17-month period from early 2015 through mid 2016, a sitting state treasurer and a former state treasurer, both statewide elected officials who were guardians of taxpayers' money, were charged with crimes, as was an ex-Governor's chief of staff and the attorney general, the state's chief law enforcement officer. It was preceded by a sting investigation that resulted in state legislators videotaped taking cash from an undercover operative posing as a lobbyist and an alleged pay-to-play scheme at the Pennsylvania Turnpike Commission. Porn and off-color emails on government computers took out two Supreme Court justices. It's all in Brad Bumsted's latest book, *Keystone Corruption Continues: Cash Payoffs, Porngate, and the Kathleen Kane Scandal*.

Pennsylvania, a State of Corruption Stephen Worob, 2009 In 1992 I volunteered my services at the Morrisville School board to make my small town a better place. Thirteen years later I was persecuted by a powerful and evil justice system that inflicted unbearable heartache that stole my family's future for honoring my oath. My crime was that I passionately stood up and spoke out against corruption and refused to be silenced. As my wife battled for her life with cancer, Pennsylvania's vindictive system of justice caused our family to be dragged for more than two years through a frivolous lawsuit and misguided judgment that tore my family apart. I wrote this book to inform people that law enforcement is selective and our court system is being used to protect corruption while our watchdogs are under siege. Worst of all, our so-called servants of the public control the media and will crush anyone who stands in their way.
