Kiss Of God The Wisdom Of A Silent Child:

Kiss of God (20th Anniversary Edition) Marshall Stewart Ball, 2017-01-31 **Kiss of God** Marshall Stewart Ball, 1999 Kiss of God is an astonishing collection of inspiring writings by a young boy who is developmentally challenged. Born with a host of difficulties including the inability to speak, Marshall has persevered despite seemingly insurmountable obstacles. Marshall communicates by pointing to specific letters on an alphabet board and family members or friends transcribe each letter as Marshall indicates. When finished, he then titles and edits the selection, spelling each word correctly. From these letters and words come the inspiring selections collected in this book. His graceful, remarkable words are filled with the purity of his spirit and the love in his heart. In addition to Marshall's beautiful and loving words of inspiration, Kiss of God also contains anecdotes that either detail the circumstances under which he created each selection or the powerful effects his words have had on readers. In our fast-paced world with all its turmoil and tragedy, the simple and gentle wisdom of Kiss of God is sure to make it a treasured favorite with all readers for many years to come. **The Light Gap: God's Amazing Presence** Terry Larkin, Marjorie Steiner, 2016-10-07 The Light GAP is the story of Terry and Marj becoming aware of the amazing LIGHT within us. God is waiting for us to wake up. Tragedy struck the lives of sisters Terry and Marj. Terry died in a car accident. The machine said so, but there was more life to live. It was an NDE. Marj's 19-year-old daughter met with death in London. She lives on in another realm. Journey with these sisters as their Light Gaps are revealed. Terry and Marj's intertwined stories include both tragedy and the miraculous. Understanding death allowed them both to LIVE life and took away the FEAR of God. A Light Gap is potential life. Seeds sprout as sun reaches them. Tragedy is full of possibility just like a Light Gap. New beginnings are waiting to emerge. Find through their discoveries the power held within to experience heaven now. God's Amazing Presence is here for all. Come visit us at www.thelightgap.com. **Autism and the God Connection** William Stillman, 2006-04 Everyone who seeks a more compassionate and wise life will benefit from this wonderful, insightful, and beautiful book. Gary Zukav, author of The Seat of the Soul, says one in 68 US children have an autism spectrum disorder, and with countless parenting books helping families care for children with special needs, Autism and the God Connection is the crucial spiritual look at understanding a child with autism. Helping parents realize their child's unique spirit and reaffirm that every one of us is a blessing, this is an inspirational resource to discovering the intellect, beauty, and complexities of children with autism. Through countless interviews, William Stillman documents extraordinary examples of spiritual giftedness and boldly challenges our traditionally held beliefs about people with disabilities. Readers will discover hope, comfort, inspiration, and love through these affirming anecdotes of ordinary families. **Beyond the Indigo Children** P. M. H. Atwater, 2005-09-29 Connects the arrival of a new type of children with the fulfillment of the Fifth World of the Mayan Calendar and other great prophecies. Provides detailed information about the world changes that will take place before and after December 21, 2012. Explores the seven root races representing the genetic gene pool of the human family and the phenomenon of soaring.

intelligence Explains the grand sweep of human evolution and the worldwide ascension of energy now occurring which will take humanity to the next level of development According to prophecy the fifth sun or fifth world of the Mayan calendar moves into a higher octave of vibration or ascension on December 21 2012 This date represents a gateway of planetary development that will open humanity to new ways of living and new worlds of opportunity Ancient traditions have foretold that our successful passage through this gateway depends on the fifth root race new stock in the human gene pool destined to help us through the exciting and massive changes ahead In *Beyond the Indigo Children* P M H Atwater illuminates the characteristics of the fifth root race the capstone being the extraordinary new children those brilliant and irreverent kids born since 1982 She explores the relationship of the new children to the prophecies in the Mayan calendar and other traditions providing extensive background information about the seven root races the sixth and seventh of which haven't yet appeared and the great shifting of consciousness already underway She reveals the connection of the seven root races to the seven chakras and how the fifth chakra the chakra of willpower will be opened for humankind as the new children grow to maturity She also discusses the phenomenon of soaring intelligence and undeveloped potential and provides concrete guidance and tools for those who seek to understand and help the new children achieve their full potential *Beyond the Indigo Children* is the first major study of today's children and their place in our rapidly changing world that combines objective research with mystical revelation and prophecy

Demystifying the Autistic Experience William Stillman, 2002-11-15
This book introduces autism from a non clinical humanist perspective emphasizing that we are all more alike than different The author deconstructs the fundamental concepts of the autistic experience using language examples and anecdotes that are concrete and understandable for all

The Entrepreneur's Creed Merrill J. Oster, 2001

Developing Self Without Sight William F. Cavitt, 2006-06-23 A child sighted or blind is born into this world with all the building blocks for what they can become This physical material is impacted by the child's environment over a life time while the self evolves The self is the same in blind children as it is in the sighted only the developmental process is different Both children have the same starting materials mind body and spirit With these parts the child develops a process of thinking feeling and behaving toward other people objects and situations and they recognize that others also think feel and behave in their environment It is with their thoughts emotions and actions that children relate to their world using physical emotional cognitive social and moralistic attributes and through this interrelationship the self evolves The self is everything that exists in a person's unique world and it exists because of their self concept and self esteem Aspects of self concept are the elements of well being that assist our survival in our environment They consist of all the physical things our personality feelings toward life our knowledge and problem solving techniques how we successfully interface with others and our social and spiritual values in life If our self concept contains the important things and issues in life and there is a high regard for them then our self will evolve in a manner conducive to peace and harmony If not the opposite will occur The blind child must build a self with a missing part

Granted self will evolve for a blind child but it must be augmented by all other senses of the body in order to enhance the mind and spirit A blind child's thoughts feelings and behaviors serve the same purpose as they do for a sighted child but will evolve differently The physical emotional cognitive social and moral concepts are necessary but are obtained without the benefit of the automatic process of seeing The self evolves but the conduit for inputting their environment is different for a blind child This is the story of a four year blind boy named Cavitt and how his self is evolving His adventures can be used to assist other blind children develop their self The book vividly illustrates psychology of a blind child as he lives this psychology It is the development of a self that is Cavitt 2012 - the Great Shift Chris Kasparis,2011-12-01 Are the London 2012 Olympic Games an Ascension event We are at the tipping point Earth is in crisis can our positive human energies help us transcend into a new enlightened Humanity What have the Indigo Kids got to do with 2012 Ancient prophecies sacred number calendar systems time change codes secrets of personal and global awakening are all revealed in this extraordinary book and useful 2012 diary Chris sets out a positive vision of hope world good will and salvation for Humanity and planet Earth His investigations provide conclusive proof of immense changes which the Ancient Mayan time keepers prophesied over 2 400 years ago Painstaking research into ancient tribal teachings astronomy astrology controversial cutting edge science and esoteric wisdom teachings are presented in a practical highly informative way The 2012 diary sections give details of spiritual festivals solstices equinoxes and important moon phases It will inspire you to focus your energies on positive initiatives to help bring about planetary transformation Align with his uplifting message and help Humanity ascend into a new Golden Age of enlightenment *Health of the Human Spirit* Brian Luke Seaward,2012-02-15 Health of the Human Spirit Second Edition Spiritual Dimensions for Personal Health is a thoughtful examination of the ageless topic of human spirituality It addresses the need to acknowledge spiritual wellness as a vital dimension of the general health and well being of the individual and examines the dynamic balance between mind body spirit health and the roadblocks and distractions on the spiritual path Dr Seaward includes many behavioral suggestions to enhance the health of the human spirit He presents the material in an approachable user friendly manner by engaging the reader and carefully distinguishing the differences between spirituality and religion **Counseling Pregnancy, Politics, and Biomedicine** Patricia Elyse Terrell,2013-04-15 Examine the impact and importance reproduction and genetics have on religious values Counseling Pregnancy Politics and Biomedicine Empowering Discernment explains the mystery of the God human relationship so ministers priests and pastors can follow the ethics and mechanics of counseling human reproductive health and be informed on issues of religion medical experimentation and politics The unique book is a teaching text and a desktop reference for clergypersons and pastoral care ministers providing them with information on the sensitive and intimate topic of reproductive health from a Christian worldview so they can advise and empower congregation members to make thoughtful decisions about health care Counseling Pregnancy Politics and Biomedicine examines four disciplines through a Christian

point of view 1 religion based on humanity created in the image of God 2 different varieties of ethics 3 systems of law and politics and 4 philosophies on experimental medicines Each topic is grounded with its religious background providing a practical easy to follow path for Christian thinkers The book also addresses the concerns a religious person might have about health and ministry what genetic therapy can accomplish the alternatives to genetic therapy and how theology ethics law and medicine apply to the issues expectant mothers face Counseling Pregnancy Politics and Biomedicine examines the major points in recognized ethical theories how Christian principles became part of secular law over time the legal dilemmas involved in protecting the health of pregnant women how and why palliative care is a viable alternative to modern therapies the politics and morality of terminating a pregnancy how to protect women from becoming research instruments the moral status of the embryo and much more Counseling Pregnancy Politics and Biomedicine explains God's desire for good health by identifying ways in which Jesus is the example of what it means for every person to be created in the image of God The book is a vital resource for clergypersons and pastoral care ministers Sometimes, Enough Is Enough Marsha Sinetar, 2000 Recasts the ancient spiritual tradition of contemplation for contemporary highly technological times Dust jacket *Time* Briton Hadden, 1999-09 **Integrating Disability Content in Social Work Education** Stephen F.
