 patterns and information on fibers spinning crochet **Roughing it in the Suburbs** Valerie J. Korinek,2000-12-15
 Originally launched in 1928 by the 1950s and 1960s nearly two million readers every month sampled Chatelaine magazine s
 eclectic mixture of traditional and surprisingly unconventional articles and editorials At a time when the American women s
 magazine market began to flounder thanks to the advent of television Chatelaine s subscriptions expanded as did the lively
 debate between its pages Why In this exhilarating study of Canada s foremost women s publication in the 50s and 60s Valerie
 Korinek shows that while the magazine was certainly filled with advertisements that promoted domestic perfection through
 the endless expansion of consumer spending a number of its sections including fiction features letters and the editor s
 column began to contain material that subversively complicated the simple consumer recipes for affluent domesticity Articles
 on abortion spousal abuse and poverty proliferated alongside explicitly feminist editorials It was a potent mixture and the
 mail poured in both praising and criticizing the new directions at the magazine It was Chatelaine s highly interactive and
 participatory nature that encouraged what Korinek calls a community of readers readers that in their very response to the
 magazine led to its success Chatelaine did not cling to the stereotypical images of the era instead it forged ahead providing
 women with a variety of images ideas and critiques of women s role in society Chatelaine s dissemination of feminist ideas
 laid the foundation for feminism in Canada in the 1970s and after Comprehensive fascinating and full of lively debate and
 history Roughing it in the Suburbs provides a cultural study that weaves together a history of Chatelaine s producer s
 consumers and text It illustrates how the structure of the magazine s production and the composition of its editorial and
 business offices allowed for feminist material to infiltrate a mass market women s monthly In doing so it offers a detailed
 analysis of the times the issues and the national cross section of the women and sometimes men who participated in the
 success of a Canadian cultural landmark Winner of the Laura Jamieson Prize awarded by the Canadian Research Institute for
