Knowing Jesus Is Enough For Joy Period:

Knowing Jesus Is Enough for Joy, Period! S. M. Wibberley, 2010-06-11 **Introducing World Missions (Encountering Mission)** A. Scott Moreau, Gary R. Corwin, Gary B. McGee, 2015-06-09 This bestselling textbook by leading missionary scholars offers an engaging introduction to the work of missions in the contemporary world. It provides a broad overview of the biblical theological and historical foundations for missions. It also considers personal and practical issues involved in becoming a missionary, the process of getting to the mission field, and contemporary challenges a mission worker must face. Sidebars, charts, maps, and numerous case studies are included. This new edition has been updated and revised throughout and features a full color interior. Additional resources for professors and students are available online through Baker Academic's Textbook eSources.

Environmental Missions Lowell Bliss, 2013-10-16 Planting Churches and Trees. Environmental Missions defines an emerging category in missions, one that takes seriously both the mandate to evangelize the world and the responsibility of caring for God's good earth. Lowell Bliss was a traditional church planting missionary in India when his best Hindu friend there died of malaria. This was just one of the events that led him to reexamine the politically charged term "environment," understanding it now as simply that which surrounds those we love, those for whom Jesus died. In other words, the church is called to reach not only vulnerable people but the space in which they live and breathe. Pointing to the narrative of Scripture and the history of missions, Bliss shows us that the gospel of Jesus Christ is good news for the whole creation that we must unite two traditionally separate endeavors to fulfill the entirety of God's commission and that the challenge of the environmental crises of our day is also one of our greatest opportunities to reach the least reached with the love of Christ.

Knowing Jesus Is Enough for Joy, Period! Study Guide Edition S.M. Wibberley, 2010-06-01 Wibberley's book puts together all of the significant aspects of spiritual life. Other books have done this, but the level of practical integration in this book succeeds where other books fail. Not just another book on spiritual life, this book contains lessons learned over a quarter century of labor for the advancement of the gospel in a difficult, unreached country. These lessons have profundity, simplicity, and applicability for everyone from seasoned pastor to new convert. Read it, digest it, and put the lessons into practice. Walking with Jesus will not be the same. Publisher description.
