McGraw-Hill's Construction Contracting McGraw-Hill, inc,1978 **Bulletin of the Institution of Engineers (India).**
Institution of Engineers (India),1987 Moody's International Manual ,1997 **The Emergence of Feminism in India,**
1850-1920 Padma Anagol,2017-03-02 Grounded in a variety of rich and diverse source materials such as periodicals meant
for women and edited by women song and cookbooks book reviews and court records the author of this pioneering study
mobilises claims for the existence of an Indian feminism in the nineteenth century Anagol traces the ways in which Indian
women engaged with the power structures both colonialist and patriarchal which sought to define them Through her
analysis of Indian male reactions to movements of assertion by women Anagol shows that the development of feminist
consciousness in India from the late nineteenth century to the coming of Gandhi was not one of uninterrupted unilinear
progression The book illustrates the ways in which such movements were based upon a consciousness of the inequalities in
gender relations and highlights the determination of an emerging female intelligentsia to remedy it The author s innovative
study of women and crime challenges the notion of passivity by uncovering instances of individual resistance in the domestic
sphere Her study of women s perspectives and participation in the Age of Consent Bill debates clearly demonstrates how the
rebellion of wives and their assertion in the colonial courts had resulted in male reaction to reform rather than the current
historiographical claims that it was a response purely to threats posed by colonial masculinity Anagol s investigation of the
growth of the women s press their writings and participation in the wider vernacular press highlights the relationship
between symbolic or hidden resistance and open assertion by women Diesel & Gas Turbine Worldwide Catalog ,1983
