

Knife Fighting

Knife Palming with the Ice Pick grip

The ice pick grip also permits you to palm your knife to your hand. Knife palming is a strategic method of concealing your knife behind your forearm during the precontact stage of knife fighting.

Knife palming is probably one of the most deceptive forms of knife concealment and can surprise even the most seasoned knife fighter. Therefore, when confronted by a potential adversary, always be aware of his hands. Remember, if you can't see the opponent's fingertips, beware – he could also be palming a knife.

Figure 10-10 The deceptive knife palming technique.

Chapter 10 Knife Fighting Grips and Ranges

The knife fighting grips are not just limited to knife fighting. They have numerous weapon applications, including the applications to hand guns.

When using the ice pick grips, don't make the common mistake of holding the knife with the cutting edge facing away from the adversary.

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
