for their own ends the other to preserve it Thrust into this battle is former Justice Department agent Cotton Malone whose connection to the knights is far deeper than he ever imagined At the center is the Smithsonian Institution linked to the knights its treasure and Malone himself through an ancestor a Confederate spy named Angus Cotton Adams whose story holds the key to everything Complicating matters are the political ambitions of a reckless Speaker of the House and the bitter widow of a United States Senator who together are planning radical changes to the country And while Malone and Cassiopeia Vitt face the past ex president Danny Daniels and Stephanie Nelle confront a new and unexpected challenge a threat that may cost one of them their life From the backrooms of the Smithsonian to the deepest woods in rural Arkansas and finally up into the rugged mountains of northern New Mexico The Lost Order by Steve Berry is a perilous adventure into our country s dark past and a potentially even darker future
