Milne,1991-12-01 Know the Truth Bruce Milne,2012-11-28 This thoroughly revised and updated edition of Bruce Milne s excellent handbook expounds the great themes of God s Word and how they fit together Each chapter deals with one aspect of biblical truth and the main sections conclude with practical reflection **God among Sages** Kenneth Richard Samples,2017-01-31 Was Jesus just a spiritual leader like Buddha Krishna Confucius and Muhammad Or is he something more something else entirely In God among Sages apologist Ken Samples offers readers a biblical and historical portrait of Jesus grounded in the claims Jesus makes about himself Then Samples compares and contrasts Jesus with Buddha Krishna Confucius and Muhammad using eight relevant categories of evaluation He also helps readers understand the competing philosophies of religious pluralism inclusivism and exclusivism The result is a clearer understanding of what sets Jesus apart as not simply a teacher to follow but God himself worthy of our full allegiance and worship Christians who struggle to answer claims that Jesus was just a good teacher as well as those haven t quite made up their minds about Jesus s claims to divinity will value this accessible introduction to comparative religions Balanced Discipleship Justin Campbell,2023-03-09 The data is in more and more people are leaving the church We ve worked hard at creating better programs better music and better sermons but it s not enough This is in stark contrast to the global church that is growing exponentially What are they doing differently What can we learn In Matthew 28 Jesus does not ask us to go into the world and make great church services he tells us to go into the world and make disciples Campbell takes a deep dive into the Great Commission exploring Jesus balanced model of discipleship and giving us practical tools to apply to our local church With All Your Heart A. Craig Troxel,2020-02-04 Here is a book to be welcomed enthusiastically to be read carefully and to be returned to frequently Sinclair B Ferguson In our world we use the word heart to refer to our emotions But the Bible uses the word heart to refer to the governing center of life We need to grasp the true meaning of the heart in order to better understand ourselves our sin and our need for redemption As we rediscover the heart as the source of all our thoughts fears words and actions we will discover principles and practices for orienting our hearts to truly love and obey God with all that we are *Think Christianly* Jonathan Morrow,2011-11-01 Think Christianly is about seizing the opportunities we have every day to speak the life Jesus offers into our culture Tragically many such opportunities pass us by unclaimed either because we don t notice them or we have not prepared ourselves to enter into them And those around us seem to grow increasingly unwilling to hear anything the church has to say Jonathan Morrow helps church leaders envision and implement ways for their congregations to think Christianly about contemporary questions and to speak in informed engaging ways Morrow explores many of the important issues that Christians often hear raised with

regard to faith questions about who Jesus was the good and bad of religion pain and evil in the world the reliability of the Bible sexuality and intimate relationships and hope for change among others The life and faith issues that Think Christianly addresses lead to cultural moments where Christianity and contemporary culture intersect This book will help churches take vital steps toward cultivating compassion and competence in speaking faithfully to a questioning world Union with Christ Sung Rual Choi,2023-11-13 Understanding union with Christ as a frame of thought as a motif or theme is important for accessing Calvin s theology While the union with Christ doctrine arises when Calvin explains the doctrine itself directly especially in light of soteriology the strong presence of this motif union with Christ union with the Triune God indicates its pervasiveness when other doctrines or theological themes are explained as well This book suggests that we approach the notion of union of Christ as a theological frame of thought that touches on most of the doctrines and theological themes of Calvin s theology This book deals with union with Christ as a motif or theme rather than as a doctrine Why Do Bad Things Happen If God Is Good? Rhodes, Ron,2004 When a cross section of Americans was asked If you could ask God one question and knew He would give you an answer what would you ask the top response was Why is there so much pain and suffering in the world Bible scholar speaker and author Ron Rhodes addresses this issue with the heart of a pastor and the mind of an apologist Debunking non Christian responses to the problem of pain Ron explores the unshakable biblical truths that provide a strong foundation in stormy times Believers who need a tonic for their faith caregivers who support people in pain and seekers who are wrestling with the philosophical problem of evil will find helpful answers in this encouraging and enlightening discussion **The Collected Writings of James Leo Garrett Jr., 1950-2015: Volume Two** James Leo Garrett Jr.,2018-07-26 James Leo Garrett Jr has been called the last of the gentlemen theologians and the dean of Southern Baptist theologians In The Collected Writings of James Leo Garrett Jr 1950 2015 the reader will find a truly dazzling collection of works that clearly evince the meticulous scholarship the even handed treatment the biblical fidelity the wide historical breadth and the honest sincerity that have made the work and person of James Leo Garrett Jr so esteemed and revered among so many The first two volumes of the series explore Dr Garrett s writings on the experience history and lives of Baptist Christians and this inaugural volume specifically considers Baptists Baptist views of the Bible and Anabaptists Spanning sixty five years and touching on topics from Baptist history theology ecclesiology church history and biography religious liberty Roman Catholicism and the Christian life The Collected Writings of James Leo Garret Jr 1950 2015 will inform and inspire readers regardless of their religious or denominational affiliations *The Collected Writings of James Leo Garrett Jr., 1950-2015: Volume One* James Leo Garrett Jr.,2017-09-15 James Leo Garrett Jr has been called the last of the gentlemen theologians and the dean of Southern Baptist theologians In The Collected Writings of James Leo Garrett Jr 1950 2015 the reader will find a truly dazzling collection of works that clearly evince the meticulous scholarship the even handed treatment the biblical fidelity the wide historical breadth and the honest sincerity that have made the work and person of

Ash, 2015-07-14 How God reveals himself is an important matter for Christians especially evangelicals For too long Carisa Ash contends evangelicals have rightly affirmed that God reveals through the created world but then they functionally neglect such revelation In this monograph Ash offers a corrective to this practice by presenting a theology of revelation that explores the commonalities between various forms of revelation world written and spoken word and Incarnate Word Particularly aimed at theologians interested in theological method Ash's study will also benefit people interested in faith and learning or interdisciplinary integration Ash argues that evangelicals must strive to align more closely their affirmations and their practice Her critique of current practices in theological method and integration along with the proposed theology of revelation are designed to help move the conversation forward **A Thematic Access-Oriented Bibliography of Jesus's Resurrection** Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e.g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find

the one source accurately and with ease **Truth Aflame** Larry D. Hart, 2010-02-23 Larry Hart's Truth Aflame brings together charismatic renewal and classic evangelical faith better than anything I have read. An important contribution to the contemporary renaissance in systematic theology. Timothy George, Dean of Beeson Divinity School of Samford University, Executive Editor of Christianity Today. As the Pentecostal charismatic movement continues to grow, so does the need for solid theological resources for its members. While there are many volumes of systematic theology available, very few are written from a distinctly charismatic perspective. Truth Aflame seeks to meet that need. While academically sound, Truth Aflame is written with a practical pastoral flavor. Larry Hart defines systematic theology as the process of taking what the Bible teaches and relating it to contemporary questions and knowledge. His passion for the subject is evident; he is concerned that the reader both grasps the magnificence of the study of God and allows these great truths to be transformative. This Truth, then liberating, enlivening, and transforming, Truth becomes central to the ongoing renewal of the church that we are seeing in our day. Dr. Hart treats each of the traditional categories: revelation, God, creation, humanity, sin, Christ, salvation, the church, and last things from a Pentecostal charismatic perspective. He addresses other theological viewpoints but does not get bogged down in analysis and rebuttal. Further, he seeks to build bridges of understanding to those evangelicals outside the charismatic tradition. Clear, succinct, and readable, this revised and updated edition of Truth Aflame is well suited not only for students but for anyone desiring a greater understanding of Pentecostal charismatic theology.
