**Church Doctrine and the Bible** David Instone-Brewer, 2020-05-13 You know the doctrines but are they biblical Too often Christians are content to state a doctrine list a few supporting Bible passages and proceed on to the next But are these doctrines truly derived from the Bible or are we slotting verses into our pre determined theological grids In Church Doctrine and the Bible biblical scholar David Instone Brewer applies his expertise in first century backgrounds and culture to popular Christian doctrines Peeling away thousands of years of theological development reveals how the Bible s original hearers would have understood these doctrines and helps us resolve some of our doctrinal disputes and misunderstandings Through this process Instone Brewer answers the question is this doctrine biblical Church Doctrine and the Bible will help pastors theologians and laypersons see familiar doctrines with fresh first century eyes By restoring the revolutionary simplicity of the Bible s teachings we gain new insights into these doctrines and what they mean for the church today

**Five Views on Sanctification** Melvin E. Dieter, Anthony A. Hoekema, Stanley M. Horton, J. Robertson McQuilkin, John F. Walvoord, 2011-04-19 Christians generally recognize the need to live a holy or sanctified life But they differ on what sanctification is and how it is achieved How does one achieve sanctification in this life How much success in sanctification is possible Is a crisis experience following one s conversion normal or necessary If so what kind of experience and how is it verified Five Views on Sanctification part of the Counterpoints series brings together in one easy to understand volume five major Protestant views on sanctification Wesleyan View represented by Melvin E Dieter Reformed View represented by Anthony A Hoekema Pentecostal View represented by Stanley M Horton Keswick View represented by J Robertson McQuilkin Augustinian Dispensationalism View represented by John F Walvoord Writing from a solid evangelical stance each author describes and defends his own understanding of the doctrine sanctification and then responds to the views of the other authors The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion

**Essentials of Pentecostal Theology** Tony Richie, 2020-01-20 Only a few decades past academia tended to scoff at the very idea of serious Pentecostal theology Today profound and variegated theological implications of this dynamic movement are the object of exploration and development across the entire spectrum of the Christian theological corpus Arguably an acute need has arisen for identification and evaluation of the Pentecostal movement s original and ongoing theological essentials What is Pentecostal theology really all about anyway This volume realizes that Pentecostal theology is at its heart a working theology undergirding and energizing believers worship of God in prayer and praise in holy living and in witness to a personal experience of the risen Lord and Savior manifested in the continuing power of the Holy Spirit Authentic implementation if not explicit articulation of fervent Pentecostal theology often occurs in the vitality of local churches house fellowships and various mission settings in America and around the world Birthed in the fires of revival movements essential Pentecostalism

including Pentecostal theology continues to burn brightest wherever it is fueled most directly What Has Wittenberg to Do with Azusa? David J. Courey, 2015-02-26 Global Pentecostalism is a twenty first century phenomenon Yet in North America where the movement was born it has stalled Courey uncovers the cause of this plateau in the triumphalism that is characteristic of both North American Protestantism and Pentecostalism Through the identification of parallels between Martin Luther and contemporary Pentecostals Courey detects in Luther's Theology of the Cross a potent remedy for this tension Utilising this insight Courey reflects on other faith traditions and provides a counterpoint to the triumphalism that inhibits the development of Pentecostalism in North America and around the world This work comprises of three parts The first is historical charting the antecedents and development of Pentecostal triumphalism The second is an experiment in historical theology seeking basic resonances between Luther and early Pentecostals and examining the Theology of the Cross as a means of probing Pentecostalism The final section is an effort in constructive theology applying the theologia crucis to some of the central aspects of Pentecostalism **Exploring Protestant Traditions** W. David Buschart, 2009-09-20

Protestant is shorthand for a spreading family tree of church and theological traditions Each tradition embodies a historically shaped perspective on the beliefs practices and priorities that make up a Christian community Whether you are an insider to one tradition a hybrid of two or three or as many Christians today an outsider to all Exploring Protestant Traditions is a richly informative field guide to eight prominent Protestant theological traditions Lutheran Anabaptist Reformed Anglican Baptist Wesleyan Dispensational and Pentecostal Clearly and evenhandedly W David Buschart traces the histories of each tradition explains their interpretive approaches to Scripture and identifies their salient beliefs As a result you will gain a sense of what it is to believe and worship as a Reformed or Pentecostal Christian who the traditions heroes are and where the theological accents are placed Charts displaying the denominational representatives of each tradition and bibliographies mapping the path for further explorations add to the value of this guide This is a book that seeks to receive rather than evaluate to listen and understand rather than judge or correct His is a model of theological hospitality that encourages you to open your doors to the varied ways in which Protestantism has taken root in history and human society Some things take time like coming to know a religious tradition But Exploring Protestant Traditions is an excellent place to start Lessons on the Eldership, Vol. 01 Witness Lee, 2023-01-09 This two volume publication Lessons on the Eldership is composed of outlines and excerpts compiled from the ministry of Witness Lee and Watchman Nee They are intended to be used by mature workers for the training of the elders and responsible brothers among the churches in the hope that these brothers will be perfected to labor fruitfully in the carrying out of God's economy for the fulfillment of His purpose through the churches *Bible Doctrine* Wayne A. Grudem, 2014-10-28 How do we know the Bible is God's Word What is sin and where did it come from How is Jesus fully God and fully man What are spiritual gifts When and how will Christ return If you've asked questions like these then systematic theology is no abstract term It's an approach to finding answers every Christian needs to know Bible Doctrine

Spittler, Grant A. Wacker, Grant Wacker, 1999 Pentecostal Currents in American Protestantism addresses the theme of encounter within the Protestant faith by exploring moments in which identities and boundaries have been established or challenged as the Pentecostal and charismatic movements have taken their place on the American religious scene Examining topics as diverse as the animosity that marked Pentecostalism's encounter with the Holiness movement the forms and results of engagement between Pentecostal missionaries and Protestant mission boards in China and the response of Southern and American Baptists to the charismatic renewal contributors show how the confluence of the mainstream with other streams brings about questioning realignment and change      *Types of Pentecostal Theology* Christopher A. Stephenson, 2016-10 In this the first critical study of the major theologians of pentecostalism Christopher A Stephenson establishes four original categories that classify recent pentecostal theologians methodologies in systematic constructive theology

P. Simatupang, 2025-03-27 What sort of experience of grace does the Holy Spirit give Pentecostals when they celebrate the Eucharist This book aims to answer that question by investigating Holy Communion through a Pentecostal spirituality framework and process known as search encounter transformation Doing so enriches the theology and spirituality of Pentecostalism and broadens its understanding of the journey of salvation The author argues that the invocation of the Spirit in the Eucharist the epiclesis grants the church a pneumatological imagination enabling it to properly remember the anamnesis the work of Christ The outcome of remembering will be to see the Eucharist as a meal of solidarity and justice a meal that manages the hunger of the world a meal that offers healing a meal for
