**God Is Just Not Fair** Jennifer Rothschild, 2014-03-25 This is a book I'll be recommending for years to come. Lysa TerKeurst, New York Times bestselling author, *Do you believe God is just not fair? If you're like Jennifer Rothschild, you wrestle with questions when you experience painful circumstances. Does God care? Does he hear my prayers? Is he even there?* Blinded as a teenager, Jennifer overcame daunting obstacles, found strength in God, and launched a successful speaking and writing ministry. Then in her 40s, everything changed. Jennifer hit a wall of depression and discontent that shook her to her core, undermining many of her past assumptions about her faith. She wondered who God was and why he continued to allow her to struggle and doubt. Where she pleaded is his hand of healing and hope in my life now. This is a book about finding more than just answers. It's for anyone who needs hope when life doesn't make sense for all who reach for a God who feels distant. As Jennifer tackles the six big questions of faith, she will help you Trust God more than your feelings. Strengthen your faith when you feel beat up by life. Embrace your obstacles and start experiencing their purpose. Face your disappointment and grow stronger from your loss.

*UnMarketing* Scott Stratten, Alison Stratten, 2016-09-30 *UnMarket* to build trust and make lifelong customers. In 2009, Scott Stratten and Alison Stratten wrote the bestselling *UnMarketing: Stop Marketing, Start Engaging* and began a journey that would take them around the world sharing their message of engagement with corporations, entrepreneurs, and students. They are now back with this second edition because Everything has Changed and Nothing is Different with all the brilliance of the first edition plus new content and commentary to reflect the rapidly changing landscape we all live, buy, and work in today. For generations, marketing has been hypocritical. We've been taught to market to others in ways we hate being marketed to: cold calling, flyers, ads, etc. So why do we still keep trying the same stale marketing moves? *UnMarketing* shows you how to unlearn the old ways and consistently attract and engage the right customers. You'll stop just pushing out your message and praying that it sticks somewhere. Potential and current customers want to be listened to, validated, and have a platform to be heard, especially online. With *UnMarketing*, you'll create a relationship with your customers and make yourself the logical choice for their needs. We know you've been told to act like other people, talk like other people, and market like all the people, but it is time for you to unlearn everything and start

to UnMarket yourself UnMarketing includes the latest information on Idea Creation Viral Marketing and Video Marketing to Millennials Authenticity Transparency and Immediacy Ethics and Affiliates Social Media Platforming UnPodcasting Word of Mouth Customer Service Consumer Advocacy and Leadership With examples of what to do and what not to do from small business right up to worldwide corporations in areas such as real estate travel service retail and B2B **The NLM Technical Bulletin** ,1996 **Free Hostage** S.
