## Head Off And Split Poems:

*Head Off & Split* Nikky Finney, 2011-01-27 In Nikky Finney's *Head Off Split* the beauty of language soars and saves us even as we skirt the raw edge of terror And something rare and precious is restored a light a circling movement of the spirit This is poetry to give thanks for Meena Alexander author of *Quickly Changing River* **Rice** Nikky Finney, 2013-07-31 In *Rice* her second volume of poetry Nikky Finney explores the complexity of rice as central to the culture economy and mystique of the coastal South Carolina region where she was born and raised The prized Carolina Gold rice paradoxically made South Carolina one of the most oppressive states for slaves and also created the remarkable Gullah culture on the coastal islands The poems in *Rice* compose a profound and unflinching journey connecting family and the paradoxes of American history from the tragic times when African slaves disembarked on the South Carolina coast to the triumphant day when Judge Ernest A. Finney Jr Nikky's father was sworn in as South Carolina's first African American chief justice Images from the Finney family archive illustrate and punctuate this collection *Rice* showcases Finney's hungry intellect her regional awareness and pride and her sensitivity to how cultures are built and threatened *The World Is Round* Nikky Finney, 2012-07-31 *The World Is Round* Nikky Finney's third volume of poetry collects the wisps of memory we carry with us throughout our earthly lives and weaves them into deft and nuanced poems that emphasize understanding the cycles of life The settings offer a view into the kaleidoscope of human experience the sweetness and shock of family life the omnipresent wash of memory and the ebullience of warm Southern air *The World Is Round* carries with it an implicit challenge to the author as a poet and to the reader as a fellow human to see the characters and details and events of our lives with clarity fearlessness and love The result is poems that range the gamut of human reach and resilience fury and frailty The poet's vision of community requires understanding and tolerance from every breathing soul Finney illuminates the cruelties of the sometimes gawking narrow minded world and makes a plea for compassion inspired by our common humanity **Queer Soul and Queer Theology** Laurel C. Schneider, Thelathia Nikki Young, 2021-04-01 This book takes up the question of Christian queer theology and ethics through the contested lens of redemption Starting from the root verb to deem the authors argue that queer lives and struggles can illuminate and re value the richness of embodied experience that is implied in Christian incarnational theology and ethics Offering a set of virtues gleaned from contemporary lesbian gay bisexual transgender intersex queer and asexual LGBTIQ+ lives and communities this book introduces a new framework of ethical reasoning Battered and wrongly condemned by life denying theologies of redemption and dessicating ethics of virtue this book asserts that the resilience creativity and epistemology manifesting in queer lives and communities are essential to a more generous and liberative Christian theology In this book queer virtues not only reveal and re value queer soul but expose covert viciousness in the traditional i.e. inherently colonial and racist and thus ungodly family values of dominant Christian ethics and theology It argues that such re imagining has redemptive potential for Christian life writ large including the

redemption of God This book will be a key resource for scholars of queer theology and ethics as well as queer theory gender and race studies religious studies and theology more generally Modern African American Poets Yasser K. R.

Aman,2018-10-29 This book consists of eight chapters covering poets from the Harlem Renaissance until the present day It considers the Harlem Renaissance poets Hughes and Cullen from new perspectives with regards to two psychological types self acceptance and self dejection The first two chapters discuss Hughes and Cullen s expression of race relations and the way they protest Chapter three on Roscoe C Jamison represents unheard voices while the fourth chapter focusing on Ai analyzes multi ethnic roots and dissects American society highlighting the reasons for violence and sexual hunger Chapter five on Nikky Finney a representative of Affrilachian poetry and a political activist focuses on different social and political issues Chapters six and seven discuss the application of Dual Inheritance Theory on African American and Afro German poetry Chapter eight tackles the ongoing effort of redefining black womanhood with specific emphasis on Morgan Parker

*The Cambridge Companion to Twenty-First-Century American Poetry* Timothy Yu,2021-03-11 This book offers a comprehensive introduction to studying the diversity of American poetry in the twenty first century Writing in the Kitchen David A. Davis,Tara Powell,2014-08-04 Scarlett O Hara munched on a radish and vowed never to go hungry again Vardaman Bundren ate bananas in Faulkner s Jefferson and the Invisible Man dined on a sweet potato in Harlem Although food and stories may be two of the most prominent cultural products associated with the South the connections between them have not been thoroughly explored until now Southern food has become the subject of increasingly self conscious intellectual consideration The Southern Foodways Alliance the Southern Food and Beverage Museum food themed issues of Oxford American and Southern Cultures and a spate of new scholarly and popular books demonstrate this interest Writing in the Kitchen explores the relationship between food and literature and makes a major contribution to the study of both southern literature and of southern foodways and culture more widely This collection examines food writing in a range of literary expressions including cookbooks agricultural journals novels stories and poems Contributors interpret how authors use food to explore the changing South considering the ways race ethnicity class gender and region affect how and what people eat They describe foods from specific southern places such as New Orleans and Appalachia engage both the historical and contemporary South and study the food traditions of ethnicities as they manifest through the written word **Love**
