Heal Manual Charles And Frances Hunter:

Faith Healing Ministry Gwendolyn Washington, 2020-08-25 Faith Healing Ministry A Christian Education Model for Clergy and Laity The purpose of this book is to begin an intentional effort to retrieve the ministry of faith healing using a Christian education model to educate train clergy and laity Healing as a spiritual gift for the body of Christ is a much neglected gift due to variables that may be altered to benefit multitudes In my research and study I have discovered it is the lack of knowledge in understanding the gift of healing and how to operate it that caused so many to be indifferent about it Jesus came so that our souls may be saved and to heal our bodies A scriptural reference is Isaiah 53 5 But He was wounded for our transgressions He was bruised for our iniquities the chastisement of our peace was upon him and by His stripes we are healed This sums up the purpose for Jesus coming to earth to make it possible for each person who would believe to have eternal life and be sound in body and mind This book reveals some pitfalls or controversial teachings regarding why so many from various denominations believe that the gifts ceased during the first century Being in the health profession for thirty eight years I have seen various diseases many struggle with and medical technology has no cure for With health care benefits changing and there is a possibility many may lose their coverage it is imperative that we go back to God s original plan divine healing Not to discount the physicians scientist and medical technology but it is important for us to know that we have God s plan for healing My desire is to get the message out to the masses especially to churches to establish healing centers that divine healing is a benefit of the Kingdom of God Healing Starts Now! Joan Hunter, 2011-02-01 One day when Jesus was teaching the power of the Lord was present for Him to heal the sick Luke 5 17 His same power is present in every believer today Drawing from her experience as a worldwide healing ministry Joan Hunter desires to help equip the church to receive and to minister God s miraculous healing in the four corners of the world Many believers want to understand How can I receive and retain healing Why would God use me What s the best way to approach someone who needs healing How can I effectively pray for healing The answers to these and other questions plus practical guidance and examples are designed to help believers fulfill the Great Commission Go into all the world and preach the gospel to every creature lay hands on the sick and they shall recover Mark 16 15 18b **The Healing Commands Handbook** Derek Jacobs, 2014-11-30 Remember that it is not a prayer because Jesus never prayed for the sick It is a command so firmly get it fixed in your mind to say In the name of Jesus we command And then speak to the part of the body that needs healing When Jesus healed the sick man at the pool of Bethesda He said Rise take up your bed and walk John 5 8 In Matthew 12 13 Jesus commanded the man with the withered hand Stretch out your hand and when the man did his hand was restored as whole as the other Jesus disciples followed His example of making healing commands as recorded in Acts 3 6 in the healing of the lame man Then Peter said Silver and gold I do not have but what I do have I give to you In the name of Jesus Christ of Nazareth rise up and walk Verse 7 proclaims And he took him by the right hand and lifted him up and immediately his feet and ankle bones received strength The Scriptures

go on to report that the healed man began walking and leaping and praising God Notice also that when the people put their FAITH INTO ACTION whether by stretching out their hand or taking up their bed and walking or rising up and walking they were healed *Field Guide to the Wild World of Religion* Pamela Dewey,2013-02 The American religious scene in 1955 was a very tame and predictable world It matched the tame predictable world of women s clothing where most women going out shopping wore a dress with coordinating gloves hat and shoes And it matched the tame predictable world of children s toys where almost every young girl yearned for a baby doll that said Ma Ma and almost every boy needed a coonskin cap Choices of fashions toys preachers and churches were limited and domesticated Fifty years later the tame predictable world of 1950s fashions and toys is long gone Women go shopping in everything from sweatshirts and jeans to tube tops and short shorts And both boys and girls want the latest Sponge Bob Square Pants video game The same kind of transformation has gone on in the world of religion It is no longer tame and predictable either Welcome to the Wild World of Religion of the 21st Century Explore its habitats identify some of the inhabitants and learn about their characteristics and customs in this Field Guide
