## Healing Power Of Illness:

*The Healing Power of Illness* Thorwald Dethlefsen, Rüdiger Dahlke, 2002 Contrary to conventional opinion illness is not some quirk of nature you have to fight. A truer understanding of illness actually helps you stay healthier. When you understand what your symptoms are telling you, you view them as bodily expressions of inner conflicts. Their symbolism will reveal the real problems you're facing. Pick a current health issue and see the difference when you treat it as a sign of healing instead of as a negative. Following the approach of two psychologists, one trained in spiritual traditions and the other in natural healing and psychotherapy, troubles with infection, allergies, respiration, digestion, skin, and nervous system, heart and circulation, sexuality, and pregnancy even accidents come with practical actions to take to remedy them. *The Healing Power of Illness* Thorwald Dethlefsen, 1992

**The Healing Power of Illness** Thorwald Dethlefsen, Rüdiger Dahlke, 2023-03-14 This classic book long out of print in English challenges accepted ideas of illness by suggesting it's not an enemy to be fought. When you see your symptoms as bodily expressions of psychological or spiritual conflicts, you can use them as guides to inner work. You can respond to troubles with infection, allergies, respiration, digestion, skin, nervous system, heart and circulation, sexuality, and pregnancy even accidents with practical actions that heal the heart and mind.
