**Deep Impact** A.E. Gillies, Ph. D. ,2016-07-12 Fear As humans we experience fear repeatedly throughout our lives This book goes beyond these times of fear to explore the realm of terror Terror creates a psychological and spiritual disconnect that has the ability to affect individuals and groups for their entire lives This is a book about the symptoms and effects of such terror In this book A E Gillies seeks to educate the Christian church both professionals and laity to identify the wounded warriors who have suffered such terror in order to hear their stories and to expand our understanding of how repeated terrorization can create complex traumatic stress It is a book that looks at the psychological and spiritual nature of human attachment and how insecure attachment can develop in childhood due to traumatic experiences The author s ultimate goal is to further motivate the church to recognize comfort and care for traumatized individuals Ultimately it is through relationships with God and compassionate individuals that restoration can be accomplished **Exorcism and Deliverance**

**Ministry in the Twentieth Century** James M. Collins,2009-11-10 This study seeks to demonstrate that exorcism deliverance ministry is an innately enthusiastic practice utilizing John Knox s classic study of Christian enthusiasm The twentieth century provides an ideal arena for such a study since it frames a complete lifecycle for this rite from its infancy during the early decades through its heyday in the 1970s and 80s on to creeping routinisation by the end of the century Two enthusiastic settings Charismatic and Evangelical Fundamentalist are identified and examined as the environment in which two related streams of exorcism deliverance ministry was practiced Finally enthusiastic Sacramentalist exorcism is considered in order to establish the thesis that enthusiastic settings provide a conducive atmosphere for the emergence and practice of exorcism deliverance ministry Attention is paid to historical factors within the Charismatic and Evangelical Fundamentalist streams that underlie the development of this rite As a result important secondary insights are gained into the tidal nature of enthusiastic movements the role of itinerant preachers in the propagation of enthusiasm the routinisation of enthusiastic practices and the manner in which enthusiasm overcomes institutional denominational boundaries The study provides the foundation for future investigation of the manner in which enthusiastic experience is presented for apologetic purposes the relationship between exorcism deliverance ministry and millenarianism and the practice of this rite within non Western churches *The Importance of Inner Healing and Deliverance for Effective Discipleship* Johnathan Lee Shoo

Chiang,2019-12-18 Personal encounters with God are vital for the current generation of believers the postmodern millennial generation who affirm truth through experience Instead of the traditional view of inner healing and deliverance IHD as a hospital unit of the church this dissertation turned book will explain the biblical theological and current relevance of incorporating IHD into the discipleship structure of the local church With field research based in Singapore and Taiwan a grounded theory based on empirical research attests to a framework that enables believers to personally and powerfully encounter God experience divine healing and wholeness and become equipped for ongoing sanctification **Exorcism and**

Deliverance William K Kay, Robin Parry, 2011-04-01 A significant examination of exorcism and deliverance from a range of disciplines focuses on an important but often neglected area of the church's mission to the world. The diversity of essays makes sure that every facet is presented to encourage the reader thoroughly to consider this aspect of the church's approach to evil in our society. Since Jesus of Nazareth made exorcism a cornerstone of his own ministry, the Church has seen itself as engaged in a battle against the demonic. Exorcism has continued to play a role throughout Christian history in this conflict, although it has received different emphases in different times and places and has been practiced in a range of different ways. Exorcism and Deliverance aims to shed new light on the phenomena of possession and exorcism by looking at them from a range of disciplinary perspectives.

Healing through Deliverance Peter Horrobin, 2008-07-01 Jesus's ministry included not only preaching and teaching; points out British Bible teacher Peter J Horrobin, but fully one third of Christ's recorded healings involved deliverance. In this groundbreaking work, Horrobin urges believers to exercise the authority of Jesus in this often ignored dimension. Through in-depth Scripture teaching, he demonstrates persuasively that the charge Jesus gave his disciples to heal the sick and cast out demons was a vital part of the Great Commission for the whole church for all time. Formerly two volumes, Healing through Deliverance is now available in a single hardcover edition. It lays out the biblical foundation for the ministry of healing and deliverance. It also shows how people can become affected by demonic powers and offers keys for bringing about healing through deliverance. Readers will find practical guidelines for building and conducting a healing and deliverance ministry through the local church and in ministry and counseling centers. With this complete work, believers will be equipped to respond to all of God's call to preach the gospel, heal the sick, and cast out demons. **Exodus**

**from Rome Volume 1** Dr. Todd D. Baker, 2014-05-01 Written by a former Roman Catholic of eighteen years and former candidate for the Roman Catholic priesthood, Dr. Todd Baker objectively and honestly examines the grandiose claims of the Papacy and the Roman Catholic Church in the critical light of Scripture and the evidence of history to show where Rome has greatly erred. This multi-volume work provides a controversial overview on the basic doctrines distinctive of Roman Catholicism so the open Catholic can learn how these beliefs, practices, and traditions of Rome contradict Scripture and do not have the support of a consistent, uniform history from the days of Jesus, the apostles, and the first three centuries of the early church, and on. With over 1 billion adherents to the Roman Catholic Church, it is incumbent for the Bible believer to know the difference between the real Gospel of Scripture versus the Gospel of Rome and how they are not one and the same Gospel in the end. In a day of man-pleasing ecumenical compromise with Rome, this book is sorely needed to remind the Protestant church that the real differences between Rome and the Bible have not changed since the Reformation and must be reiterated and defended today on the exclusive ground of Scripture alone being the supreme authority in faith and practice for every Christian believer. Dr. Todd D. Baker is president of Brit Hadashah Ministries and Pastor of Shalom Shalom Messianic Congregation in Dallas, Texas. He holds a Bachelor of Science degree in biblical studies, a Master of Theology

degree from Dallas Theological Seminary and a Ph D in Philosophy and Apologetics from Trinity Seminary under the auspices of Liverpool University at Liverpool England He is the staff theologian and writer for Zola Levitt Ministries and has appeared on the television program Zola Levitt Presents several times With his extensive experience in Jewish evangelism he conducts Gospel outreaches to Israel three times a year I Declare War Deborah W.
