Teachings of Huna Max Freedom Long, 2023-12-21 In *The Teachings of Huna*, Max Freedom Long presents an insightful exploration of the ancient Hawaiian spiritual practice known as Huna. Drawing on his extensive research, Long articulates the principles of Huna, which encompass the interconnection of mind, body, and spirit. The book is notable for its blend of narrative and scholarly analysis, effectively disseminating complex philosophical ideas and practices in an accessible manner. Long frames Huna within the context of both Eastern and Western spiritual traditions, illuminating its universal relevance while maintaining a distinct Hawaiian cultural identity. Max Freedom Long, an esteemed writer and researcher, was profoundly influenced by his time in Hawaii, where he became captivated by the island's spirituality and mythology. His background in anthropology and his keen interest in indigenous practices compelled him to delve into the esoteric teachings of Huna after encountering them during his academic pursuits. Long's insightful interpretations are informed by his life experiences and studies, enabling him to present Huna not just as a belief system but as a transformative way of living. For readers seeking a deeper understanding of spirituality and personal empowerment, *The Teachings of Huna* serves as an invaluable resource.

Long's articulate and engaging prose invites readers to explore their own spiritual journeys through the lens of Huna making it a must read for enthusiasts of metaphysical philosophy and holistic well being *Teaching of Huna* Max Freedom

Long, 2023-12-26 *The Secret Science Behind Miracles* deals with the discovery of an ancient and secret system of workable magic which if we can learn to use it as did the native magicians of Polynesia and North Africa bids fair to change the world. *Self Suggestion and the New Huna Theory of Mesmerism and Hypnosis* is a practical manual of self suggestion using the Huna techniques including detailed instructions as to how the operation works. Huna, Hawaiian for secret, is the word adopted by the author in 1936 to describe his theory of metaphysics. This information concerning those parts of psychology which we have come to call hypnosis, mesmerism, and suggestion is being presented as an addition to the scant literature on the ancient psycho-religious system of the Polynesians called Huna or the Secret *The Secret Science Behind Miracles* Max Freedom
