- Anticipatory guidance and health education, measurements
- Dental/Oral Health Assessment
- Vision and hearing test
- Certain laboratory procedures and lead risk assessment.

services Hospitals would be able to bill claims on CMS 1500 forms for physicians who have already reassigned their billing to the hospital as in the case of employed physicians Otherwise hospitals would have the option of enrolling the location as the type of provider or supplier it wishes to bill to meet the requirements of that payment system e g ambulatory surgery center or group practice

Medicare and Other Health Benefits U. S. Department Human Services,Centers for Medicaid Services,2013-10 If you have Medicare and other health coverage each type of coverage is called a payer When there s more than one payer coordination of benefits rules decide who pays first The primary payer pays what it owes on your bills first and then your provider sends the rest to the secondary payer to pay In some cases there may also be a third payer Whether Medicare pays first depends on a number of things Be sure to tell your doctor and other health care providers if you have coverage in addition to Medicare This will help them send your bills to the correct payer to avoid delays Some people with Medicare have other coverage that must pay before Medicare pays its share of your bill This guide tells how Medicare works with other kinds of coverage and who should pay your bills first Also available in Spanish
