Wrestling with Randi Leah Mae Wright, 2022-02-15 Randi Mae Lee felt like she was stuck in a rut and had no idea how to crawl her way out of it She had tried to portray herself as outgoing and confident all her life but she felt awkward in the good girl role everyone expected her to play as the sheriff s daughter After a traumatic lecture from her parents as a teenager she mostly repressed her sexuality and any part of her personality that she thought might cause a repeat She struggled with feelings of guilt anytime she acted on her baser instincts never letting a boyfriend turn the relationship sexual until after at least a month of dating and always breaking up with them within a few days of their first time together Randi secretly longed to find a way to start standing up for herself and living life on her own terms She wanted to find her dream job and break her bad relationship cycle but fear kept holding her back James Hunter lived a pretty great life After an idyllic childhood on the family homestead in the small town of Heart s Destiny Texas James had completed his college degree before going on to act as a bad boy of professional wrestling He teamed with his brother as the Dangerous Twins an outlaw biker tag team for the

Galactic Wrestling Association He was living the dream traveling the world while working at a job he loved The only drawback was the feeling of jealousy he had at seeing the married wrestlers who traveled with their families At twenty five he was starting to feel like it was time to cut back on the nights out at bars and start settling down to build a family Random one night stands weren't fulfilling anymore but it was hard to find The One when he was traveling three hundred and twenty days a year and not in one place long enough to really start a relationship When good girl meets bad boy sparks fly Fate seemed to be pushing him in the right direction the night James met Randi It was instalove for the pro wrestler and the sheriff's daughter They fell hard and fast for each other but could they maintain their love when his travel schedule reduced them to a mostly texting romance Or could they find a way to be together more than the nine days they got together for his Thanksgiving vacation and her sister's wedding to his other best friend He was the dirty talking alpha man of her dreams and she was the sexy sweet woman of his When a pregnancy mix up pitted the lovebirds against her overprotective father things looked bleak for their future together Would James's love be enough to help Randi find and accept who she really was deep inside Would he be able to pull back on his alpha tendency to take over her life and protect her from the world long enough for the wonderful woman inside her to shine when she's ready to show her true self to the world When all is said and done will James and Randi finally get their happily ever after
