that's what they thought until the medical examiner discovers that the latest victim didn't drown. She was poisoned before she went into the water. Soon after three of those drownings are also proven to be murders. Portland has a new serial killer on its hands and Archie and his task force have a new case. Reporter Susan Ward is chasing this story of a new serial killer with gusto but she's also got another lead to follow for an entirely separate mystery. The flooding has unearthed a skeleton, a man who might have died more than sixty years ago the last time Portland flooded this badly when the water washed away an entire neighborhood and killed at least fifteen people. With Archie following the bizarre trail of evidence and evil deeds to catch a killer and possibly regain his life and Susan Ward close behind, Chelsea Cain, one of today's most talented suspense writers, launches the next installment of her bestselling series with an electric thriller *Let Me Go*. Chelsea Cain, 2013-08-13

Krimi Detective Archie Sheridan is about to receive a birthday present from the last person he ever wants to see again, Gretchen Lowell. **One Kick** Chelsea Cain, 2015-05-26 Kick Lannigan abducted at age six goes into a tailspin when a second Amber Alert in a month signals the disappearance of a child in the Portland area. That's when the enigmatic Bishop approaches her with a proposition. He made a fortune as a weapons dealer and now wants to make good by using his resources to rescue abducted children. And he is convinced Kick's experiences and expertise can be mined to help rescue the abductees. Little does Kick know the case will lead directly into her terrifying past. **Heartsick** Chelsea Cain, 2007-09-04

Damaged Portland detective Archie Sheridan spent ten years tracking Gretchen Lowell, a beautiful serial killer, but in the end she was the one who caught him. Two years ago Gretchen kidnapped Archie and tortured him for ten days but instead of killing him she mysteriously decided to let him go. She turned herself in and now Gretchen has been locked away for the rest of her life while Archie is in a prison of another kind, addicted to pain pills, unable to return to his old life, powerless to get those ten horrific days off his mind. Archie's a different person, his estranged wife says, and he knows she's right. He continues to visit Gretchen in prison once a week, saying that only he can get her to confess as to the whereabouts of more of her victims but even he knows the truth: he can't stay away. When another killer begins snatching teenage girls off the streets of Portland, Archie has to pull himself together enough to lead the new task force investigating the murders. A hungry young newspaper reporter, Susan Ward, begins profiling Archie and the investigation which sparks a deadly game between Archie, Susan, the new killer, and even Gretchen. They need to catch a killer and maybe somehow then Archie can free himself from Gretchen once and for all. Either way, *Heartsick* makes for one of the most extraordinary suspense debuts in recent memory.

Gone Chelsea Cain, 2014-08-19 From the author of the critically acclaimed Archie Sheridan and Gretchen Lowell thrillers, here is a heart-stopping ride that Cheryl Strayed, author of 1 New York Times bestseller *Wild*, called deeply intelligent and grippingly suspenseful, a wickedly brilliant masterpiece. Kick Lannigan has taught herself to be dangerous. She can pick any lock, fire any weapon, throw any knife, and aim a punch at her opponent's trachea. She has also taught herself to be safe. So when enigmatic John Bishop shows up asking her to help him rescue missing kids, Kick has every reason to be wary. He

appears to have access to limitless money high level contacts and details of Kick s background long kept sealed by the court Yet everything he tells her about himself seems to be a lie Headstrong by nature suspicious by circumstance and a smart ass by self determination Kick can t help but see the writing on the wall together she and Bishop could make an unstoppable team willing to do whatever it takes legal or not to see justice served if they don t kill each other first For Kick whose interest in child abduction is deeply personal it s a gamble worth taking Critically acclaimed as excruciating compelling Booklist starred review and a propulsive new thriller People One Kick is an engrossing entertaining new novel you won t want to miss
