Making Sense of "It" Alison Macklin, 2018-09-11 Maybe you learned about sex in school anatomy STIs and pregnancy right You might think you've learned all there is to know but there's so much more to sex than just doing it What about masturbation is that OK Are you dirty for having sexual fantasies What about kissing giving a blowjob or taking the pill is it safe What if you touch someone's penis can you get pregnant If you douche after sex you won't get pregnant right **Making Sense of It** goes beyond the basics of the birds and the bees to give teens a realistic no holds barred nonjudgmental guide on everything to do with sex and sexuality With this book teens can learn about it all from the best contraception methods to what to expect at a clinic even to the signs of an unhealthy relationship Alison Macklin draws on her years of experience at Planned Parenthood to address everything teens want to and should know in a straightforward open minded and sex positive manner Even better Conversation Starters in each chapter give teens and parents a chance to test their knowledge and useful tips to help talk about sex in a way that works for them In a world where teens are bombarded with bad information on social media and are made to feel ashamed of something so natural **Making Sense of It** offers trustworthy gender neutral advice on how to be safe informed and honest about it

The Sexualized Body and the Medical Authority of Pornography Heather Brunskell-Evans, 2017-01-06 This edited collection examines pornography as a material practice that eroticises gender inequality and sexual violence towards women It addresses the complex relationship between pornography and medicine in particular sexology and psychotherapy whereby medicine has historically and currently afforded

pornography considerable legitimacy and even authority Pornography naturalises women's submission and men's dominance as if gendered power is rooted in biology not politics In contrast to the populist view that medicine is objective and rational the contributors here demonstrate that medicine has been complicit with the construction of gender difference and in that construction the relationship with pornography is not incidental but fundamental A range of theoretical approaches critically engages with this topic in the light firstly of radical feminist ideas about patriarchy and the politics of gender and secondly of the rapidly changing conditions of global capitalism and digital technologies In its broad approach the book also engages with the ideas of Michel Foucault particularly his refutation of the liberal hypothesis that sexuality is a deep biological and psychological human property which is repressed by traditional patriarchal discourses and which can be freed from authoritarianism for example by producing and consuming pornography In taking pornography as a cultural and social phenomenon the concepts brought to bear by the contributors critically scrutinise not only pornography and medicine but also current media scholarship The 21st century has witnessed a growth in neo liberal academic literature which is pro pornography This book provides a critical counterpoint to this current academic trend and demonstrates its lack of engagement with the politics of the multi billion dollar pornography industry which creates the desire for the product it sells the individualism of its arguments which analyse pornography as personal fantasy and the paucity of theoretical analysis In contrast this book re opens the feminist debate about pornography for a new generation of critical thinkers in the 21st century Pornography matters politically and ethically It matters in the real world as well as in fantasy it matters to performers as well as to consumers it matters to adults as well as to children and it matters to men as well as to women

The Sex Instruction Manual Felicia Zopol, 2014-11-18 At Last A Comprehensive Guide to Sexual Intercourse Sex is as old as human civilization so why after all these years are the secrets of a rewarding sex life so elusive Fortunately The Sex Instruction Manual is here to answer all of your most pressing questions Why do men fall asleep after achieving orgasm What's the G spot and where can I find it How can I introduce sex toys into my relationship Are there really condoms designed for women And what in the world is doorknobbing You'll find answers to all of these questions and more courtesy of author and celebrated sexpert Felicia Zopol

Sexualities in Context Rebecca Plante, 2014-11-13 Written in an accessible and clear manner Sexualities in Context presents focused overviews and explorations of some of the most timely issues in the social construction of sex This brief text is the only book of its kind to address sexualities from a social perspective Plante's analysis of the context of sexuality sexual behaviors and identities is both intelligent and readable With contemporary topics such as hooking up sexual fantasies and bisexualities along with examples of how to apply critical thinking students are empowered to think outside their comfort zones and encouraged to explore the topic of sex in a new context
