| Activity | Using a poster or an overhead of a page from a dictionary show students what the guide words are and how they will determine which words would be on that page. Distribute the accompanying worksheet and complete half of it with the students on an overhead projector or whiteboard. Allow students to complete the rest of the worksheet while you observe and help as needed. |
| Closure | After students have completed their independent practice, ask them to tell their partners one thing that they know about guide words. Have some of the students share this information with the class.
