**DJ Losen**

## **Guide Chairing Disciplinary Hearings:**

The Manager's Guide to Discipline Derek Eccleston, Kate Goschen, 2017-05-15 For most managers let alone the employees involved the disciplinary process can be painful and embarrassing Poor performance tends to be confused with misconduct and consequently carries the stigma of punishment this despite the fact that most company policies and indeed the ACAS Code correctly put emphasis on improving behaviour or performance rather than punishment Derek Eccleston s concise guide provides a clear picture of the purpose and the process of the disciplinary procedure This toolkit approach contains invaluable information and includes clear checklists and sample letters to help guide managers and supervisors through the minefield of employment rights explaining what to do and how to do it Written in a no nonsense way The Manager s Guide to Discipline is free of legal jargon and focuses on the practical issues throughout It will help to protect the organisation whilst ensuring matters are dealt with not left or brushed under the carpet because of a lack of management confidence This essential reference will encourage managers to approach performance and disciplinary problems proactively and with more confidence and will significantly reduce the risk of getting it wrong

**Guidelines for Disciplinary Hearings** American Dental Association. Council on Ethics, Bylaws and Judicial Affairs, 1989
