Integrating E-Business Models for Government Solutions: Citizen-Centric Service Oriented Methodologies and Processes Chhabra, Susheel, Kumar, Muneesh, 2009-02-28 The objective of this book is to examine issues and promote research initiatives in the area of effectiveness in e government by suggesting integrated e business models for government solutions through citizen centric service oriented methodologies and processes Provided by publisher White Book on Aggressive Activities by the Governments of the USSR, Poland, Czechoslovakia, Hungary, Rumania, Bulgaria and Albania Towards Yugoslavia ,1980 What Is Government Good At? Donald J. Savoie, 2015-08-01 Recent decades have shown the public support for government plummet alongside political leaders credibility This downward spiral calls for an exploration of what has gone wrong The questions What is government good at and What is government not good at are critical ones and their answers should be the basis for good public policy and public administration In What Is Government Good At Donald Savoie argues that politicians and public servants are good at generating and avoiding blame playing to a segment of the population to win the next election embracing and defending the status quo adding management layers and staff keeping ministers out of trouble responding to demands from the prime minister and his office and managing a complex prime minister centred organization Conversely they are not as good at defining the broader public interest providing and recognizing evidence based policy advice managing human and financial resources with efficiency and frugality innovating and reforming itself being accountable to Parliament and to citizens dealing with non performers paying sufficient attention to service delivery and implementing and evaluating the impact of policies and programs With wide implications for representative democracy What Is Government Good At is a persuasive analysis of an approach to government that has opened the door to those with the resources to influence policy and decision making while leaving average citizens on the outside looking in **The COR/COTR Answer Book** Bob Boyd, 2012-06 The Classic COR COTR Reference Updated Incorporating the most important changes to regulations affecting federal acquisition this third edition of The COR COTR Answer Book remains the go to reference for CORs COs and other acquisition professionals Included in this third edition are Updated and expanded coverage of the policies and regulations on government property Revised dollar thresholds that comply with the most recent changes In depth coverage of performance based payments Coverage of the new FAR rules on COR certification details the elements of this new three tiered mandatory certification program along with the requirements on training experience and continuous learning The easy to use question and answer format facilitates quick access to specific information In this third edition The COR COTR Answer Book continues a tradition of trusted service to acquisition professionals carrying out their vital role in contract planning formation and administration Open Source Systems: Enterprise Software and Solutions Ioannis Stamelos, Jesus M.
