Keener, 2011-11-01 Christianity Today 2013 Book Award Winner Winner of The Foundation for Pentecostal Scholarship's 2012 Award of Excellence 2011 Book of the Year Christianbook.com's Academic Blog Most modern prejudice against biblical miracle reports depends on David Hume's argument that uniform human experience precluded miracles Yet current research shows that human experience is far from uniform In fact hundreds of millions of people today claim to have experienced miracles New Testament scholar Craig Keener argues that it is time to rethink Hume's argument in light of the contemporary evidence available to us This wide ranging and meticulously researched two volume study presents the most thorough current defense of the credibility of the miracle reports in the Gospels and Acts Drawing on claims from a range of global cultures and taking a multidisciplinary approach to the topic Keener suggests that many miracle accounts throughout history and from contemporary times are best explained as genuine divine acts lending credence to the biblical miracle reports Major Spiritual Warfare and Deliverance Ministry Principles Eric Gondwe, 2006-11-11 255 pages Please note This is the Second Edition of the book Third Editions are now available in two separate books one on Spiritual Warfare Principles and another on Christian Deliverance Principles Third editions are extensively revised and updated versions due to reader recommendations on additional content To go to the third editions please click on the author's name above or click on the appropriate book title link above depending on which page you're on Healing Power, Voice Activated Drake Travis, 2009 Drake Travis earned his bachelor's in biblical literature from Simpson

University and his master's in New Testament literature from Alliance Theological Seminary. He was honored with the President's Cup upon graduation from Simpson for having the most positive influence on college life. He was ordained in The Christian Missionary Alliance in 1994. He has been an associate pastor of youth worship music missions and collegiates. He spent seven years as pastor to students at Central Washington University in Ellensburg. During those years the Salt Co grew from twenty-five to nearly one thousand students who were involved in the ministry. During those years about 450 more became Christians and nearly five hundred went on mission trips to eighteen countries. Drake has taken, trained, and sent more than nine hundred people into sixty countries doing missions. Discusses the views of healing doctrine as described throughout the Bible, centering on the contention that healing is about release and freedom from sin and that it is the cornerstone of Christ's victory over death.

Storm Warning Billy Graham, 2011-05-09. New York Times best seller. Billy Graham offers hope and biblical wisdom for today's challenging problems. The daily news is jammed with alarming headlines of conflict in the Middle East, economic crisis, and terrorist threats around the world. In *Storm Warning*, Billy Graham, the best-known evangelist of our time, examines today's most challenging problems and adds his voice and perspective to what the Bible says about the storms we are facing and the storms yet to come. Since its original publication, Graham has added nearly two decades to his ministry and has lived through several more storms. This completely revised and updated book highlights Graham's experiences, insights, and renewed sense of urgency as he examines the book of Revelation in light of current events and sees prophetic events become reality. Now in the twenty-first century, we see accelerated growth of unrestrained greed and corruption on Wall Street, financial mismanagement in the halls of government, and fraud and perversion at the highest levels of both church and state. While keeping an eye on the showdown that many observers feel may be brewing even now in Europe, the Middle East, Asia, and North America, many people sense the possibility of an even greater unraveling in the world. Can we find any hope in the current world situation? Will there be lasting peace? How should we live in the face of our nation's new challenges and the magnitude of the world's crises? These are important, even vital, questions, and I invite you to come with me as we discover the answers God has given us. Billy Graham.
