The Course Reflection Project Nicole Schonemann, Emily Metzgar, Andrew Libby, 2015-05-01 Service learning is entering a post initiatory phase At tertiary institutions of all types and sizes service learning programs are common and service learning requirements for graduation are growing in popularity Taken together alongside continued faculty interest in effective teaching these factors have raised the visibility and popularity of service learning Now the greater need in service learning is not to prove the need for or efficacy of service learning but to turn the focus squarely back on practice Following established best practice is not enough instructors also need to reflect on how this fits within the specific context and application of each unique course and service learning partnership While there are many excellent resources that detail best practice and showcase exemplary service learning courses faculty reflection and course revision often goes unmentioned In response to the lack of attention on the role of reflection and course revision we convened groups of faculty from a variety of disciplines to reflect deeply on their courses paying specific attention to obstacles and challenges These conversations were converted to articles for this edited collection each chapter representing the process of reflection and revision and serving as a guide to develop effective practice in varied curricular contexts This text contributes to the body of literature on service learning in a unique and practical manner Faculty teaching or interested in teaching service learning classes would benefit from this text as well as university administrators and community service directors involved in service learning at a programmatic and institutional level This book should be marketed to faculty teaching disciplinary service learning classes and service learning pedagogy classes and administrative offices involved in service learning This could be a supplementary text for graduate level pedagogy courses Higher education institutional libraries would benefit from this text as well as the national and state campus compact offices

The Insider's Guide to Winning Education Grants Dakota Pawlicki, Chase James, 2013-11-04 Find apply for and win grant dollars for the classroom This accessible guide offers a proven step by step process for researching writing applying for and winning education grants The book educates readers on the basics of grant writing including what sources are the most reliable for securing education funding It also serves as a practice tool with worksheets proposal templates real world examples and advice from grant winning teachers to help instill confidence about navigating this somewhat daunting process Offers a proven formula for winning education grants in clear step by step instructions Includes a wealth of handy tools worksheets templates and teacher tested advice Outlines the four main components of money generating education grants Based on UNITE s celebrated Grant Writing Teacher Professional Development series The book s step by step process is filled with illustrative examples of successful grant proposals

Exemplars of Assessment in Higher Education Jane Marie Souza, Tara A. Rose, 2023-07-03 Co published with While assessment may feel to constituents like an activity of accountability simply for accreditors it is most appropriate to approach assessment as an activity of accountability for students Assessment results that improve institutional effectiveness heighten

student learning and better align resources serve to make institutions stronger for the benefit of their students and those results also serve the institution or program well during the holistic evaluation required through accreditation from the foreword by Heather Perfetti President of the Middle States Commission on Higher Education Colleges and universities struggle to understand precisely what is being asked for by accreditors and this book answers that question by sharing examples of success reported by schools specifically recommended by accreditors This compendium gathers examples of assessment practice in twenty four higher education institutions twenty three in the U S and one in Australia All institutions represented in this book were suggested by their accreditor as having an effective assessment approach in one or more of the following assessment focused areas assessment in the disciplines co curricular course program institutional assessment equity and inclusion general education online learning program review scholarship of teaching and learning student learning or technology These examples recommended by accrediting agencies makes this a unique contribution to the assessment literature The book is organized in four parts Part One is focused on student learning and assessment and includes ten chapters The primary focus for Part Two is student learning assessment from a disciplinary perspective and includes four chapters Part Three has a faculty engagement and assessment focus and Part Four includes four chapters on institutional effectiveness and assessment with a focus on strategic planning This book is a publication of the Association for the Assessment of Learning in Higher Education AALHE an organization of practitioners interested in using effective assessment practice to document and improve student learning

Service Learning Sally Berman, 2015-05-26 Service learning offers students the unique opportunity to learn both in the classroom and in the real world This exciting teaching strategy detailed in Berman's second edition of Service Learning motivates students to learn content information processes and skills while making authentic connections to their surrounding community This valuable resource explains the benefits of service learning and provides a step by step guide for using the instructional model It features nine service learning projects that are broken down into basic intermediate and advanced levels Each project features Strategies for aligning service and curricular goals Tips for involving students in decision making Guidelines for managing different phases of the project Activities that foster reflection and self evaluation Tips for differentiating by tapping into multiple intelligences In this single resource teachers will find everything they need to successfully implement service learning projects helping students gain deeper understandings of content while positively impacting their communities

Gender's Place L. Frazier, J. Hurtig, R. Montoya del Solar, 2016-04-30 This collection brings together key theoretical issues and rich ethnographic cases in the feminist anthropology of Latin America in order to explore the ways that place understood both geographically and metaphorically can serve as a key vehicle for analyzing the cultural social and historical specificity of gender relations and ideologies Like Dorothy Hodgson's volume Gendered Modernities the book seeks to unite ethnographic specificity with theoretical cohesion in a way that demonstrates the unique contribution that anthropology can make to gender and area studies

ICT and

Innovation in Teaching Learning Methods in Higher Education Enakshi Sengupta, Patrick Blessinger, 2022-08-02 ICT and Innovation in Teaching Learning Methods in Higher Education is a collection of interventions and collaborative practices from across the world that showcase the multifaceted ways of how various institutions have been engaged in supporting teaching and learning with the use of technology

Hadassah and the Zionist Project Erica B. Simmons, 2006 Founded to give women a frontline role in the Zionist struggle for statehood Hadassah the Women's Zionist Organization of America first sent public health nurses to Palestine in 1913 Despite clashing with other Zionist organizations as it fought to keep control of its own projects Hadassah grew to be the largest single American Zionist organization in the interwar period Using original historical documents Simmons examines Hadassah's roots in the American Progressive movement and assesses some of the American field tested projects which Hadassah exported to Palestine including visiting nurses school lunches and playgrounds Hadassah chose each project carefully with a view to developing an egalitarian democratic Jewish state Simmons also traces Hadassah's involvement in the Youth Aliyah child rescue movement which saved thousands of youngsters from Nazi occupied Europe as well as from the beleaguered Jewish communities of the Middle East and North Africa In the first decades of statehood Youth Aliyah education tried to make Israelis out of young refugees from all over the world Simmons offers a fresh perspective on Hadassah's place in history and shows for the first time how American Jewish women played a leading role in achieving Zionist goals and shaping the Jewish state The book is distinguished by its historical approach rooted in the analysis of original archival material including publicity brochures newsletters and correspondence as well as the contemporary Zionist and mainstream American press It is intended for students scholars and anyone interested in American Jewish history Israeli history women's studies Jewish women the history of voluntarism philanthropy public health social welfare or child welfare Progressivism the history of Zionism and the development of the State of Israel Diaspora Israel relations Jewish organizations ethnic studies emergence of the welfare state
