Jesus and the Missional Movement in Galilee Sun Wook Kim, 2019-07-10 In New Testament scholarship the study of space has been underrepresented in comparison with the study of time While Jesus life and ministry have been intensively explored in terms of eschatology i e with time significance space has tended to be treated as simply a given room or inactive backdrop where events took place Interest in the space where Jesus ministered has however gradually increased and space has received greater attention from sociological and literary perspectives In particular spatial investigations into the social circumstances of Galilee the place of origin of Jesus missional movement have begun to attract serious scholarly attention The important functions of space in literature are also becoming better recognized spatial settings serve not only to generate atmosphere but also to disclose the purposes and themes of narratives This book explores Jesus Galilean ministry in Mark 4 35 8 21 through the use of spatial analysis dividing space into three categories social geographical and allusive The study of each space discovers social literary and theological implications of Jesus missional movement in Galilee

Searching for Meaning Paula Gooder, 2008-08-27 In this clear comprehensive student friendly textbook biblical scholar and teacher Paula Gooder describes and illustrates the range of approaches to interpreting the New Testament as taught in universities and seminaries throughout the English speaking world Top scholars give a short definition of a particular criticism and then Gooder gives a practical example to demonstrate how that criticism can be applied to a biblical text A very broad range of methods is

introduced from traditional criticisms such as source criticism and historical criticism to more modern methods such as feminist criticism and liberation criticism Readers will understand how different meanings and emphases can be drawn from a text depending upon the method of interpretation chosen They will also be given the skills to start analyzing and examining texts for themselves in a meaningful and insightful way *Colometric Analysis of Paul's Letters* Priscille

Marschall,2024-03-13 Priscille Marschall explores some stylistic aspects of Paul s letters in particular their oral oriented logic of structuration employing Chapters 10 13 of Second Corinthians as a case study The method of analysis draws upon the rhetorical treatises of the Greco Roman world *The Diet of John the Baptist* James A. Kelhoffer,2005 James A Kelhoffer offers a comprehensive analysis of Mark 1 6c par Matt 3 4c in its socio historical context the Synoptic gospels and subsequent Christian interpretation The first chapter surveys various anecdotes about John s food in the Synoptic gospels and notes that there has never been a consensus in scholarship concerning John s locusts and wild honey Chapters 2 and 3 address locusts as human food and assorted kinds of wild honey in antiquity Chapter 4 considers the different meanings of this diet for the historical Baptist Mark and Matthew Contemporary anthropological and nutritional data shed new light on John s experience as a locust gatherer and assess whether these foods could have actually sustained him in the wilderness The last chapter demonstrates that the most prevalent interpretation of the Baptist s diet from the third through the sixteenth centuries hails John s simple wilderness provisions as a model for believers to emulate *Literary Encounters with the Reign of God* Sharon H. Ringe,H.C. Paul Kim,2004-02-03 Recognized scholars honor Robert Tannehill in this Festschrift

passages This book aims to foster close reading of each entire text sensitizing students to historical and literary issues that commonly arise and helping them better understand various ways to interpret these formative stories What makes this book unique is that it also engages various readings of the Gospels from traditional to deconstruction approaches including womanist interpretation disability interpretation ecological interpretation and many more For example how can readers understand the story of Jesus surprising conversation with the Samaritan woman in John 4 through the lens of feminism Or postcolonial criticism By providing alternative ways to think about these stories and various methods of approaching texts that may be new to the student the book opens up how such passages can be interpreted and appreciated *Unconventional Wisdom* June Boyce-Tillman, 2016-04-08 Early Christianity saw women in positions of authority and a fluid theology that included feminine figures in the notion of the Divine However for centuries a male trinity has dominated theology with the characteristics of triumphalism clarity order eternity and unity *Unconventional Wisdom* examines the attempt within the last half of the twentieth century to unearth the hidden theological tradition of feminine Wisdom The book presents the work of influential theorists notably Foucault Belenky and Dorothy Smith The recovery of the feminine in the divine is linked with the rediscovery of subjugated value systems and what this might mean for ecclesiology **Witnessing Whiteness** Kristopher Norris, 2020-05-13 In *Witnessing Whiteness* Kristopher Norris explores the challenges that lie at the intersection of race church and politics in America and argues for a new ethics of responsibility to confront white supremacy Norris provides in depth analysis of the ways whiteness as a process of social identity formation is fueling racial division within American Christianity and the inadequacy of efforts at racial reconciliation to fully address the challenges posed by white supremacy poses Seeking deeper theological reasons for racial injustice he focuses on two of the most important thinkers in American religion of the past half century Stanley Hauerwas and James Cone Examining the current manifestations of racism in American churches exploring the theological roots of white supremacy and reflecting on the ways whiteness impacts even well meaning progressive white theologians this book diagnoses the ways in which all of white theology and white Christian practice are implicated in white supremacy By identifying the roots of white supremacy within the Christian church s theology and practice it argues that the white church has a particular and fundamental responsibility to address it *Witnessing Whiteness* uncovers this responsibility ethic at the convergence of two prominent streams in theological ethics traditionalist witness theology and black liberationist theology Employing their shared resources and attending to the criticisms liberation theology directs at traditionalism it proposes concrete practices to challenge the white church s and white theology s complicity in white supremacy **A Body You Have Prepared for Me** Kevin B. McCruden, 2013 While all of the New Testament writings offer windows into the personal religious experiences of their authors says Kevin McCruden the Letter to the Hebrews affords us a particularly creative interpretation of such religious experience It also provides a glimpse into the personal experiences of the ancient persons who first heard this text For Christians who suffered

emotionally and physically for the countercultural commitment that they placed in Jesus Hebrews vividly celebrates the unseen vindication of Jesus and provides a hope filled portrait of the victorious Son of God A Body You Have Prepared for Me helps to illumine the creative balance between the transcendent and the concrete that Hebrews illustrates so well Book jacket An Augustinian Christology Joseph Walker-Lenow,2023-11 In An Augustinian Christology Completing Christ Joseph Walker Lenow advances a striking christological thesis Jesus Christ true God and true human only becomes who he is through his relations to the world around him To understand both his person and work it is necessary to see him as receptive to and determined by the people he meets the environments he inhabits even those people who come to worship him Christ and the redemption he brings cannot be understood apart from these factors for it is through the existence and agency of the created world that he redeems To pursue these claims Walker Lenow draws on an underappreciated resource in the history of Christian thought St Augustine of Hippo s theology of the whole Christ Presenting Augustine s christology across the full range of his writings Joseph Walker Lenow recovers a christocentric Augustine with the potential to transform our understandings of the Church and its mission in our world *The Divine Voice* Stephen H. Webb,2012-01-20 Makes the bold claim that the rhetorical skills of public speaking are essential to all Christian witness **Proclaiming the Gospel** Whitney Shiner,2003-10-30 Scholars have long understood that the texts we now know as the Gospels were read aloud in the Greco Roman world but few have actually envisioned what a performance of the Gospel of Mark would have been like in the first century and how it would have shaped the experience of its audience Proclaiming the Gospel shows us Oral performances in the New Testament world were lively affairs In the performance of Greco Roman theater readers lose their voices from the stress of emotional passages Audiences cheer for philosophers as if at a rock concert and in law courts they are paid for their responses Storytellers compete for attention with jugglers and some speakers must fend off hostile crowds Congregations at churches and synagogues cheer as if at the theater Shiner reveals the ways that Mark wrote his Gospel to compete in this arena and how his audiences would have responded applause for the miracles of Jesus then an altogether different response at the cross Whitney Shiner is Assistant Professor of Christian Origins at George Mason University Fairfax Virginia and the author of Follow Me Disciples in markan Rhetoric *The Theological Intentions of Mark's Literary Devices* Dean B. Deppe,2015-10-22 What sets The Theological Intentions of Mark s Literary Devices apart from other books What niche does it fill that makes its publication important This volume will interest all those who value a literary approach to the Gospel of Mark Dean Deppe introduces some new literary devices in the research of the Gospel of Mark as well as demonstrates the theological intentions of Mark when he employs these literary devices Deppe argues that Mark employs the literary devices of intercalation framework allusionary repetitions narrative surprises and three types of mirroring to indicate where he speaks symbolically and metaphorically at two levels Mark employs these literary devices not just for dramatic tension and irony but also for theological reasons to apply the Jesus tradition to specific problems in his own day **The Audience of**

Matthew Cedric E. W. Vine, 2014-04-24 This book seeks to establish the inadequacy of readings of the Gospel of Matthew as intended for and a reflection of a local audience or community Despite repeated challenges the local audience thesis continues to dominate a large proportion of Matthean scholarship and as such the issue of determining the Gospel's audience remains an open question This book posits four main critiques First the assumptions which underpin the text focused process of identifying the Gospel's audience whether deemed to be local Jewish or universal lack clarity Literary entities such as the implied reader the intended reader or the authorial audience prove inadequate as a means of identifying the Gospel's audience Second local audience readings necessarily exclude plot related developments and are both selective and restrictive in their treatment of characterisation Much is lost or ignored as a coherent and simplified audience context is derived from the complex narrative world of the Gospel Third this book argues that many in an audience of the Gospel would have incorporated their experience of hearing Matthew within pre-existing mental representations shaped by Mark or other early traditions Thus they would have understood the Gospel as relating to events and settings distinct from their own context regardless of the degree to which they identified with characters or events in the Gospel Fourth this book argues that early Christian audiences were largely heterogeneous in terms of ethnicity age sex wealth familiarity with Christian traditions and levels of commitment As such the aural reception of the Gospel would have resulted in a variety of impacts A number of these critiques extend beyond the local audience option and for this reason this thesis does not posit a particular audience for the Gospel

[A Thematic Access-Oriented Bibliography of Jesus's Resurrection](#) Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which

support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease
