Book 14 Mysticism HC Kurt Jurgensmeier, 2012-08-22 Does God speak to us apart from Scripture The belief that God provides us with extra biblical revelation for extra biblical decision making what we term as mega mysticism is incredibly popular Hence there are a multitude of books explaining how to hear from God Once again we go to Scripture to answer vital questions regarding how God communicates with us today and come to the following conclusions The idea that God grants extra biblical amoral revelation directly to our minds is not supported in Scripture God does not have a private personal will for our lives that we must discern outside of Scripture The translation of paraklete in the Gospel of John as Counselor is incorrect The wisdom we are to ask for in James 1 is entirely moral in nature as described in James 3 It does not include answers to all the questions that mega mystics claim God wants to answer Mega mysticism is leading many Christians astray in dangerous ways

PAUL'S LETTER TO THE EPHESIANS Edward D. Andrews,Thomas F. Marshall,2023-10-20 In an age where the essence and boundaries of the Church are questioned PAUL S LETTER TO THE EPHESIANS CPH New Testament Commentary offers an incisive historically grounded exposition on one of the New Testament s most transformative letters The Apostle Paul wrote to the Ephesian church with a desire to elaborate on the grand scheme of God s eternal plan Through the lens of this epistle this volume unravels complex themes offering clarity and deep insights that fortify the reader s understanding of both the Christian faith and the institution of the Church

Indispensable Background and Context The work opens with an enlightening introduction followed by an outline setting the stage for the subsequent exegetical journey It provides crucial historical sociopolitical and theological background contextualizing the situations that the Ephesian Christians faced and how Paul s words aimed to guide them Rich Exegetical Treatment Adhering to a literal translation philosophy and employing the objective Historical Grammatical method the commentary carefully dissects each chapter of Ephesians You will discover how Paul likens the Church to a Body a Temple a Mystery a New Creation and even to roles within a household and a soldier in battle Each likeness serves as an intricate facet revealing the multifaceted institution that God envisioned the Church to be Addressing Difficult Texts Each chapter concludes with a Bible Difficulties section where commonly misunderstood or misinterpreted texts are put under the microscope Employing rigorous conservative scholarship the commentary dispels doubts and misconceptions reinforcing the inerrancy of Scripture Apologetic Undertone Beyond mere exposition this book has a robust apologetic undertone It serves as a defense of the Christian faith addressing contemporary issues and challenges through the lens of Paul s teachings It

unequivocally establishes that there is no universal salvation and that the concept of once saved always saved is unscriptural. It also emphasizes that while we live in an age of grace, obedience to Christ remains paramount. Who This Book is For: Scholars, seminary students, pastors, and committed laypersons will find this volume an invaluable resource. It serves as a comprehensive guide for sermon preparation, academic study, and for anyone eager to dive deep into understanding God's purpose for the Church as laid out in Paul's Letter to the Ephesians. Comprehensive Concluding with a meticulous bibliography, the book is exhaustive but not exhausting, making it accessible for readers at a 10th to 11th grade reading level. It employs simplified terminology, concrete examples, and visual aids to ensure that even complex theological concepts are easily grasped. In a world filled with spiritual confusion and doctrinal dilution, PAUL'S LETTER TO THE EPHESIANS CPH New Testament Commentary stands as a beacon, guiding the reader back to the immutable truths of God's Word. It is not just a book to be read but a treasure to be explored. Lange's Commentary on the Holy Scriptures Johann Peter

Lange, 2024-08-28 The original 63 volumes set are now reduced to 9 volumes. We have completed volumes 1, 6, 9 which are the New Testament. Lord willing, during 2023-2024 we will try to complete volumes 2-5 which are the Old Testament. This volume was published between 1867-1874. In contrast to the extreme skeptical/critical mode which came to characterize much of German scholarship in the 19th century, Lange represented a more traditional, conservative, and Evangelical approach, shared in common with men such as E. W. Hengstenberg. He was also a Reformed minister, and the Commentaries reflect this combination of conservative criticism, Evangelical theology, and homiletics in a way that is unique. For each passage that is covered, a consistent approach is adopted throughout. After giving the text in translation, along with textual notes as footnotes, three different kinds of commentary are presented: EXEGETICAL, AND CRITICAL, DOCTRINAL, AND ETHICAL, HOMILETICAL, AND PRACTICAL. This gives you three times the value. For each verse, you select a drop-down box will appear, allowing you to choose from each of these areas or kinds of commentary. For detailed analysis, go to the exegetical/critical notes for sermon ideas and pastoral insights, select the Homiletical notes. *CHRISTIAN THEOLOGY* Edward D. Andrews, 2024-01-26
