

QUESTION STEMS

CHARACTER | Question Stems

Level of Challenge

Question Stems – Always support with evidence!

1 – Comprehend & Identify For this level, students can define concepts, recall information, and identify literary elements in a text.	• Who are the characters in the story...? • Describe the main character. • What is [character] like? • What does [character] do in the story?
2 – Explain & Apply Students can identify literary elements in a text and explain how they affect the way the text is understood.	• How would you characterize [character]? • Characterize [character]. How would you describe their personality? • What does [character]'s actions reveal about their character? • What evidence from the text reveals the character's traits? Explain whether the evidence is a form of direct or indirect characterization. • What does [character]'s actions reveal about their character?
3 – Analyze Students can examine how literary elements shape the text's meaning.	• How has [character] changed since the beginning of the story? Why has [character] changed? • How does the author use direct and indirect characterization to develop [character]? • What motivates [character] to [action]? What does this motivation reveal about their character? • How are [character 1] and [character 2] alike? How are they different? Why are these similarities and differences significant? • What detail best highlights a change in [character's] character?
4 – Synthesize Students can evaluate the way literary elements create deeper meaning in a text and connect ideas across texts.	• Write a letter from the perspective of [character] about an important event from the story. In the letter, capture [character]'s character traits and motivations. • What would [character] do if [scenario] happened? Why would the character respond in this way? • How does the character respond to their problem? What does this response reveal about their character? Do you agree with the character's actions? Why or why not? • How has the character's feelings changed towards their situation? What does this change in feeling reveal about them? • Analyze the character's comment. What do you think the character means? What does the comment reveal about them?
