

WHAT IS FEUDALISM?

Feudalism was the dominant social system in medieval Europe where the society was based on the feudal pyramid, where the king was at the top with the nobles, knights, and vassals below him.

In the **feudal system** the nobility held lands from the Crown in exchange for military service, and vassals were in turn tenants of the nobles, while the peasants (villeins or serfs) were obliged to live on their lord's land and give him homage, labor, and a share of the produce, notionally in exchange for military protection.
