Information On Shikhar Dhawan In:

The One Shikhar Dhawan, 2025-07-11 One evening when I was headed for dinner with my British girlfriend Ellen news of her presence spread like wildfire through the entire squad on tour A senior national selector who was on tour with us spotted us walking in the lobby with our hands linked It didn't even occur to me that I should let go of her hand because to me that was no crime There was a good chance that if I had performed consistently on that Australia tour I would have made it to the senior Indian side but my performance kept dipping Flamboyant maverick charismatic these are some words one would use to describe Shikhar Dhawan One of the most aggressive and stylish batsmen in modern cricket Dhawan has been behind some of India's most iconic victories In The One Dhawan takes readers on the incredible journey of his life Growing up in the intensely competitive cricketing scene of Delhi Dhawan started out as a wicketkeeper but later transitioned to an opening batsman a move that would define his career Off the field Dhawan's life has been nothing short of a roller coaster ride and he bares it all in this memoir How did a bar conversation with a former cricketer help Dhawan improve his batting What made him visit an astrologer while he was still a teenager trying to make it big in cricket Why was he dropped for two years from the India A team for no apparent reason From his relationships to his friendships to all the controversies surrounding him this is a no holds barred account of how Dhawan handled every curveball that life threw at him while performing and winning at the highest level for India Written with candour and sincerity The One offers an unprecedented glimpse into Shikhar Dhawan's inner monologue and all the vulnerabilities that have shaped him into the champion cricketer and sensitive human being he is today Raw and powerful this is a story that will stay with readers and fans for a long time , **Management**

of the Cricketing Ecosystem Subhasis Ray, 2022-11-04 This book is a culmination of sustained research work on the evaluation of cricket and its management to imbibe a balance between its various formats by using data and analytics The book has identified three primary stakeholders administrators players and spectators each having their own ambitions In order for convergence of these ambitions it has prescribed the networked governance in place of hierarchic governance for the International Cricket Council ICC the cricket's apex body This book aims at creating a balance between formats that each country should play There is as much dearth of academic research on this topic as there is abundance of individual viewpoints from professionals related to the game Hence at the outset the book has created a action points and has underlined the lack of convergence with present way of governance This book has created a meta metric framework for formative assessment of influence across cricket formats In order to assess the influence of T20 on test matches and on India's performance a comparison between pre IPL period 1998-2007 and post IPL period 2008-2017 by using this framework has been done **The Wisden Guide to International Cricket 2014** Steven Lynch, 2014-07-08 The Wisden Guide to International Cricket 2012 is a page per player guide to the world's top 200 cricketers each with a photo stats and written profile plus country by country records **Cricket World Cup** Ashis Ray, 2019-06-24 This is a riveting read for a cricket

lover especially an India fan A remarkable eye witness history of the Cricket World Cup from an Indian perspective the book details the little known story of India s turning point in one day cricket in Guyana when Kapil Dev s team in March 1983 beat the previously unassailable West Indies in their backyard It also reminds readers of the tremor that was felt in the cricketing world when India repeated the success at Manchester in the World Cup 10 weeks later before defeating the same side in the final two weeks later It relives India s forgotten triumph in the 1985 World Championship and the rekindling of hope when Sourav Ganguly s team finished as runners up in the 2003 World Cup The book further depicts how MS Dhoni planned victory together with Sachin Tendulkar inspiring Yuvraj Singh to perform at his best in the 2011 tournament The book is embellished by illuminating reports and scores on each India match and every semi final and final in the World Cup since its inception Finally it discusses India s prospects in the 2019 World Cup **Wisden India Almanack 2015** Suresh
