Kulathungam, 2012-04-25 The human spirit seems incapable of being stagnant ever pushing the boundaries of knowledge and experience We try to understand life through questions regarding our own existence the nature of the universe and the nature of God The question of our collective heart is the external manifestation of an internal longing a quest if you will This thirst to understand reality can be seen in superstructures that are scientific social political and especially religious When considering the doctrines institutions and rituals of religions we observe certain core aspirations expressed by the people of these communities These aspirations generate from an underlying quest which seeks a way out of our perceived predicament a salvific quest Regardless of whether we view ourselves as religious pre religious post religious or non religious we find ourselves involved in such a quest it seems to be an integral part of our human personhood Using a unique framework of analysis this book explores Christ's relevance to the quest expressed by the communities of eight major living religions a relevance that neither degrades Christ nor demeans other saviors Christ is not part of the human quest but is well equipped to satisfy that quest *Nama Islami nan Indah Untuk Anak Anda* Ahmad Rofi'a Usmani, 2007-01-01 Islam mengajarkan

Intimate Meanderings Morgan Zo-Callahan, 2009-08-07 What appeals to me intellectually and emotionally about your book is that reading these pieces together creates a very new context to hold the experience of life. Spirituality what you call meditation is the glue that holds all the parts together. I feel that all your contributors are committed to integrate the fragments of what knowledge and methods we have acquired with real life experience.

John Lounibos PhD *Intimate Meanderings* is an inspiring array of insight and bears witness to human life and our innate movement towards wholeness.

Roshi Wendy Egyoku Nakao Abbot ZCLA *Buddha Essence Temple* This book is an amazing potpourri of wisdom. *Intimate Meanderings* should be required reading in every Jesuit tent.

Dan Berrigan SJ Most memoirs are I full. Morgan gives us a lot of. We full. Robert Blair Kaiser *Intimate Meanderings* shares the wisdom, inner thoughts and vast experiences of over twenty-five contributors who offer their inspiring reflections on meditation, religion, community involvement, hospice and death, ultimately piquing spiritual and literary curiosity for those contemplating their own pilgrimage through life.

A glance at the list of contributors, their articles, conversations and poems illustrates their breadth and depth as well as diversity, personal histories, both positive and negative, that need to be told and not forgotten, spiritual journeys that still have a powerful impact and poetry that captures emotional and motivational moments.

Zo Callahan and friends honestly communicate their deepest desires and yearnings as they explore the inner and inter-relational processes of obtaining serenity and joy.
