The Inevitable Future, Or Man's Essential Immortality (Classic Reprint) J. Carlyon Harris, 2015-07-08 Excerpt from The Inevitable Future or Man's Essential Immortality If a Man Die Shall He Live Again Job This question comes from the far distant past and has haunted all the ages and never with a greater insistence and pathos than in these tragic days of the great war The doubt implied is agonising millions of hearts Doubt and Fear and Despair are abroad and the minds of men are sorely amazed Verily there never was an age that appealed more for a strong and definite answer than the present The darkness of the shadow of death is upon us and confused in its gloom many are missing faith's mystic path of hope With a new pathos the cry of the wanderers is heard The night is dark and I am far from home They call for the Kindly Light of the Immortal Hope to guide into the path of peace the Homeward Way All who know this way are called to let their light shine even though it be but with a feeble ray We fain would do our bit and be as a hand to lift the lamp of the life to come which may cheer the darkened heart and guide into the right way upon which ever shines the light of the dawn of the perfect day for which our tear dimmed eyes are watching The considerations put forth in the following discussions have been of service to some and now by request and in the hope of ministering to others they are sent forth in this little book on their mission of consolation The Most Definite Answer This Mortal Must Put On Immortality St Paul We have taken this quotation as summarising the final and most definite answer to be found It is part of the Christian Gospel With this we begin and with this we also finish All that comes between is to reinforce this declaration and establish beyond reasonable doubt the fact of human immortality About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

F. De Jong, J. John Patrick Sullivan, 1994 In recent decades the study of literature in Europe and the Americas has been profoundly influenced by modern critical theory in its various forms whether Structuralism or Deconstructionism Hermeneutics Reader Response Theory or Rezeptionsästhetik Semiotics or Narratology Marxist feminist neo historical psychoanalytical or other perspectives Whilst the value and validity of such approaches to literature is still a matter of some dispute not least among classical scholars they have had a substantial impact on the study both of classical literatures and of the mentalite of Greece and Rome In an attempt to clarify issues in the debate the eleven contributors to this volume were asked to produce a representative collection of essays to illustrate the applicability of some of the new approaches to Greek and Latin authors or literary forms and problems The scope of the volume was deliberately limited to literary investigation broadly construed of Greek and Roman authors Broader areas of the history and culture of the ancient world impinge in the essays but are not their central focus The volume also contains a separate bibliography offering for the first time a complete bibliography of classical studies which incorporate modern critical theory Making the British empire, 1660-1800 Jason Peacey, 2020-06-24 This collection offers a timely reappraisal of the origins and nature of the first British empire in response to the cultural turn in historical scholarship and the new imperial history It addresses topics that have been neglected in recent literature providing a series of political and institutional perspective at the same time it recognises the importance of developments across the empire not least in terms of how they affected imperial policy and its implementation It analyses a range of contemporary debates and ideas political and intellectual as well as religious and administrative relating to political economy legal geography and sovereignty as well as the messy realities of the imperial project including the costs and losses of empire collectively and individually **Dante and the Making of a Modern Author** Albert Russell Ascoli, 2008-03-13 Leading scholar Albert Russell Ascoli traces the metamorphosis of Dante Alighieri minor Florentine aristocrat political activist and exile amateur philosopher and theologian and daring experimental poet into Dante author of the Divine Comedy and perhaps the most self consciously authoritative cultural figure in the Western canon The text offers a comprehensive introduction to Dante's evolving transformative relationship to medieval ideas of authorship and authority from the early Vita Nuova through the unfinished treatises The Banquet and On Vernacular Eloquence to the works of his maturity Monarchy and the Divine Comedy Ascoli reveals how Dante anticipates modern notions of personalized creative authorship and the phenomenon of Renaissance self fashioning Unusually the book examines Dante's career as a whole offering an important point of access not only to the Dantean oeuvre but also to the history and theory of authorship in the larger Italian and European tradition The Classical World ,1926 The Classical Weekly ,1927
