Inner Rhythms The Spiritual Call And Challenge Of Anger:

Political Spirituality in the Face of Climate Collapse James W. Perkinson, 2024-07-08 This book takes its motive force from our contemporary climate crisis It seeks to reorient human and especially Christian understanding towards a more ecologically focused indigenously informed way of living James W Perkinson argues that our current eco climatic and socio political emergency is the culmination of a 5 000 year history of supremacist settlement in which city states first emergent in Mesopotamia and Egypt not only begin coercively organizing labor into surplus production and ecosystems into inordinate and destructive yields of goods but in the process also simultaneously deform the Spirit World haloing of natural phenomenon into outsized service of imperial reach Perkinson recognizes globalized humanity as an emerging monstrosity destroying both human culture and the world How we re envision and revalue at our critical juncture our inescapable interdependence with the more than human world as peer and teacher and even elder is the central theme that throbs below the surface of the very disparate topics commanding attention in each chapter

McSwain, 2013-05-30 Leading is a calling from God but that doesn't mean it is easy There are choices to be made about what your congregation believes how your church organizes for effective ministry and how your church serves the settings of which you are a part The good news is that others have gone before you Author Larry L McSwain's forty years of experience can help guide you through these choices Rooted in research The Calling of Congregational Leadership teaches a three pronged approach to congregational leadership being a good leader the knowledge needed by the leader and the managing of ministry leadership By using this practical holistic approach to leading congregations McSwain shows you how to use your church's potential for conveying the power of God in the lives you touch The Calling of Congregational Leadership is for those who seek to enlarge the understanding of their leadership to make their communities of faith more vital and more reflective of the mission of God in the world *The Trauma of Everyday Life* Dr. Epstein, 2014-07-07 Trauma does not just happen to a few unlucky people it is the bedrock of our psychology Death and illness touch us all but even the everyday sufferings of loneliness and fear are traumatic In *The Trauma of Everyday Life* renowned psychiatrist and author of *Thoughts Without a Thinker* Mark Epstein uncovers the transformational potential of trauma revealing how it can be used for the mind's own development Epstein finds throughout that trauma if it doesn't destroy us wakes us up to both our mind's own capacity and to the suffering of others It makes us more human caring and wise It can be our greatest teacher our freedom itself and it is available to all of us Western psychology teaches that if we understand the cause of trauma we might move past it while many drawn to Eastern practices see meditation as a means of rising above or distancing themselves from their most difficult emotions Both Epstein argues fail to recognize that trauma is an indivisible part of life and can be used as a tool for growth and an ever deeper understanding of change When we regard trauma with this perspective understanding that suffering is universal and without

logic our pain connects us to the world on a more fundamental level Guided by the Buddha's life as a profound example of the power of trauma Epstein's also closely examines his own experience and that of his psychiatric patients to help us all understand that the way out of pain is through it **Be Like the Wind** Ellen Kohn, 2024-10-29 Ellen Kohn has been communicating with animals since childhood Her calling with horses began at age four when a dude ranch wrangler allowed her to join a routine trail ride Enthralled by her mount Ellen was unphased when he took off at a gallop heading back to the ranch but rather than freeze her with fear this auspicious moment revealed her life path Spiritual study and practice have since graced Ellen's life for the last 20 years Besides having a healing touch and reiki and Meridian certifications Ellen is an accredited spiritual counselor aromatherapist and tuning fork practitioner The combination of these tools has created a unique skill set that enables Ellen to access her client's psychic profile with physical emotional and mental aspects of their energy fields Healing and spiritual readings are Ellen's passion Esoteric Traditions of the World: 105 Secret Paths to Buried Wisdom: Book I of VII: Bon, Kalasha, Kogi, San, Dreamtime, Sámi, Ainu, Tengerism, Mapuche, Ifá, Kemet, Vedic, Huna, Zoroastrian, Mandaean Laing Z.
