Groove School Leader Michael Adkins:

Groove: School Leader Guide Michael Adkins, 2015-12-15 Nearly all youth are involved in school and educational pursuits for a majority of their day. Even if they are not attending a traditional school, there are ways to encourage them to live out their faith as they follow Jesus and at the same time grow in their academic knowledge. School is designed to help teenagers consider how their faith affects their lives at school. From the lessons studied each week combined with the daily devotions found in the Groove School Student Journal, teens will be encouraged to pause and reflectively engage as their academic and spiritual lives collide. Over the course of the series, youth will be encouraged to make a place of belonging for everyone in their school, to set and keep priorities that reflect their faith in Jesus, to find joy even at school, and to know that our worth ultimately lies in who Jesus is and what he has done for us. The Groove Bible study series invites teens to learn the essentials of their faith, own their story, and engage the world in serving Jesus. Each topical study consists of four weekly sessions that are easy to lead and relate to life issues teens face. With up to 48 weeks available, Groove is great for Sunday and mid-week gatherings for both large and small groups, as well as retreats. The leader guide contains everything needed to lead teens through a Groove study, including teaching outlines, leader notes, Bible background, reflections, and parent communication.

Groove: The Life Leader Guide Michael Adkins, 2015-12-15 The life of the Christian is marked by disciplines, practices, and commitments that help shape the foundation of our faith. So how do we help youth encounter and choose to embrace some of these practices as they move into a faith that they claim as their own? The Life is a four-week study designed to help youth consider spiritual practices and what those practices can mean in their lives. Each week, they will consider the practices of being committed to a church family, of prayer, of giving, and of sharing their faith with others. The ideas and lessons are reinforced with exercises and daily devotions found in the Groove The Life Student Journal, designed to help them reflect and apply these disciplines in their own lives. The Groove Bible study series invites teens to learn the essentials of their faith, own their story, and engage the world in serving Jesus. Each topical study consists of four weekly sessions that are easy to lead and relate to life issues teens face. With up to 48 weeks available, Groove is great for Sunday and mid-week gatherings for both large and small groups, as well as retreats. The leader guide contains everything needed to lead teens through a Groove study, including teaching outlines, leader notes, Bible background, reflections, and parent communication.

Groove: Character Leader Guide Michael Adkins, 2015-12-15 When beliefs, attitudes, and values line up with actions, there is character. Helping teenagers grow in Christ-like character is no easy task. How do we help teenagers follow Jesus and take on his character? It takes practice and the commitment of their church family to support, encourage, and celebrate the wins with them along this exciting journey of growth. Character is a four-week Bible study designed to help teens develop Christ-like behavior in their daily lives. Teenagers will consider the ideas of truth, how they use their words, how they view their possessions, and what it is to be a person of integrity. The study is reinforced with daily

devotions and exercises found in the Groove Character Student Journal Helping youth embrace character and the practice of growing their spiritual lives independent from group study can be a powerful combination The Groove Bible study series invites teens to learn the essentials of their faith own their story and engage the world in serving Jesus Each topical study consists of four weekly sessions that are easy to lead and relate to life issues teens face With up to 48 weeks available Groove is great for Sunday and mid week gatherings for both large and small groups as well as retreats The leader guide contains everything needed to lead teens through a Groove study including teaching outlines leader notes Bible background reflections and parent communication

Groove: The Walk Leader Guide Michael Adkins, 2015-12-15 What does it look like to walk with Jesus Like a great deal of church jargon we toss around it can become a confusing concept for teens to embrace and understand The Walk is designed to teach youth what it means to walk with Jesus As their faith grows they will learn to exercise the grace love patience humility and meekness found only in Christ As a result they will begin to own their faith as it moves from something that they hear about to something that they are living in their own lives The daily devotions of the Groove The Walk Student Journal will encourage youth to embrace these concepts and experience a rich and fulfilled life as they learn to imitate Christ in their daily lives The Groove Bible study series invites teens to learn the essentials of their faith own their story and engage the world in serving Jesus Each topical study consists of four weekly sessions that are easy to lead and relate to life issues teens face With up to 48 weeks available Groove is great for Sunday and mid week gatherings for both large and small groups as well as retreats The leader guide contains everything needed to lead teens through a Groove study including teaching outlines leader notes Bible background reflections and parent communication

Groove: The Basics Leader Guide Michael Adkins, 2015-12-15 Today's faith and biblical illiteracy in general and among those who attend church and claim to be Christian is staggering Some alarmists are claiming that the Christian faith is in danger of becoming extinct We can no longer rely on culture to support the passing on of faith in Jesus Christ to the coming generations The Basics study is not a quick fix to this situation It is a handcrafted tool that when used by compassionate caring and committed adults will ignite their imagination for God the Scripture the faith community and living a transformed life The Basics will likely raise more questions than it answers and that's intentional Don't feel the need to make sure all the loose ends are tied up at the conclusion of your youth gathering Allow your teens the opportunity to leave with ideas and truths on which to reflect and wrestle as they use the daily devotionals provided in the Groove The Basics Student Journal The Groove Bible study series invites teens to learn the essentials of their faith own their story and engage the world in serving Jesus Each topical study consists of four weekly sessions that are easy to lead and relate to life issues teens face With up to 48 weeks available Groove is great for Sunday and mid week gatherings for both large and small groups as well as retreats The leader guide contains everything needed to lead teens through a Groove study including teaching outlines leader notes Bible background reflections and parent communication

Groove: Relationships Leader Guide Michael

Adkins,2015-12-15 If you have been in youth ministry for any length of time you will quickly learn the one thing that teenagers value most their relationships As they move into a world of independence these relationships help shape their identity and affect their lives for the future Relationships looks at the key relationships that youth have with their families friends and members of the opposite sex All youth have relationship stories and the reality is that we can help them navigate those relationships whether they come from great circumstances or challenging ones The daily devotions and exercises in the Groove Relationships Student Journal are designed to help youth dig deeper into the ideas presented in the weekly lessons and move them toward more thoughtful relationships The Groove Bible study series invites teens to learn the essentials of their faith own their story and engage the world in serving Jesus Each topical study consists of four weekly sessions that are easy to lead and relate to life issues teens face With up to 48 weeks available Groove is great for Sunday and mid week gatherings for both large and small groups as well as retreats The leader guide contains everything needed to lead teens through a Groove study including teaching outlines leader notes Bible background reflections and parent communication
