Grovel The Story And Legacy Of The Summer Of 1976:

Grovel! David Tossell, 2012-05-11 When England cricket captain Tony Greig announced that he intended to make the West Indies grovel he lit a fire that burned as intensely as the sunshine of Britain's long hot summer of 1976 Spurred on by what they saw as a deeply offensive remark by a white South African Clive Lloyd's touring team made Greig pay through the exciting batting of Viv Richards and the frightening pace of bowlers Michael Holding and Andy Roberts Grovel provides a fascinating study of the events and social issues surrounding one of the sport's most controversial and colourful tours Runner up in Best Cricket Book category at both the British Sports Book Awards and Cricket Society Book of the Year Forthright foreword by Tony Greig in which he addresses one of the most infamous comments in cricket history Featuring interviews with key figures from English and West Indian cricket Addresses all the vibrant sporting storylines of the series while examining the darker undercurrent that existed in a period of ongoing racial tension around the country Traces the origins of the great West Indies team of the 1970s and 80s which featured in the film Fire of Babylon *Flashpoint* Derek Charles Catsam, 2021-08-28 Forty years ago a South African rugby tour in the United States became a crucial turning point for the nation's burgeoning protests against apartheid and a test of American foreign policy In Flashpoint How a Little Known Sporting Event Fueled America's Anti Apartheid Movement Derek Charles Catsam tells the fascinating story of the Springbok's 1981 US tour and its impact on the country's anti apartheid struggle The US lagged well behind the rest of the Western world when it came to addressing the vexing question of South Africa's racial policies but the rugby tour changed all that Those who had been a part of the country's tiny anti apartheid struggle for decades used the visit from one of white South Africa's most cherished institutions to mobilize against both apartheid sport and the South African regime more broadly Protestors met the South African team at airports chanted outside their hotels and courted arrests at matches which ranged from the bizarre to the laughable with organizers going to incredible lengths to keep their locations secret In telling the story of how a sport little appreciated in the United States nonetheless became ground zero for the nation's growing anti apartheid movement Flashpoint serves as a poignant reminder that sports and politics have always been closely intertwined

Caught Yapping Abhishek Mukherjee, 2025-06-30 I do not want to see you Mr Warner There are two teams out there one is trying to play cricket and the other is not There is a little bit of the whore in all of us gentlemen What is your price Thank you for making my tournament a success Girls don't play cricket Bodyline World Series Cricket and IPL all seminal events in the game's history and succinctly captured in the quotes above by Bill Woodfull Kerry Packer and Lalit Modi respectively And a casual comment made by a policeman to Rachael Heyhoe which spurred her on to become a cricketer and eventually organize the World Cup two years before the men's Caught Yapping takes a never trodden before route to narrate the history of cricket using the medium of quotes to do the talking Why quotes Cricket has inspired considerable literature and continues to do so Then there are words the people of cricket have spoken on the field in press conferences in

commentary boxes and elsewhere These are tales that scorecards do not tell stories of heroes and villains rises and falls temptations and resistance inclusions and exclusions This book chronicles the history of cricket and history means little without the people And what better way to tell the story of the people than in their own words **British Sporting**

Relations with Apartheid South Africa Matthew P. Llewellyn, Toby C. Rider, 2024-11-25 The transnational anti apartheid sport boycott of South Africa represented the most prominent extended and controversial anti racism campaign in the history of sport Spearheaded by prominent British religious and anti colonial figures and exiled South Africans emboldened by communist and Global South support and legitimised by supranational political bodies such as the United Nations the Organisation of African Unity and the Commonwealth the sport boycott helped propel anti apartheid out of relative obscurity and struck at the very heart of a cultural practice that served an explicitly ideological function in Afrikaner society Britain held a dichotomous even paradoxical role as both prosecutor and defender of white South Africa This book utilises sport as a critical lens for understanding the dynamics and dichotomies of British attitudes towards the apartheid regime Debates over whether to continue or to cut sporting links with apartheid South Africa proved bitterly divisive The considerable weight the subject carried and the degree to which it saturated British political and social discourse for four decades speaks to its impact and importance British Sporting Relations with Apartheid South Africa represents the first archival based historical examination of Britain's sporting relations with South Africa throughout the apartheid era 1948-1994 Situating the analysis within the shifting multiracial and multicultural landscapes of postcolonial Britain and within global political cultural sporting and ideological debates the authors trace the origins and evolution of the transnational sport boycott and examine what inspired Britons to energise anti apartheid sport campaigns and in contrast what drove many others to vehemently oppose them at every turn Heatwave John L Williams, 2025-05-08 Grippingly captures the three months that shook Britain's cultural landscape PAULINE BLACK Scorching seething and scintillating Heatwave conjures a slow burning collage of a country on the brink I lived through those cruel months and Williams recreates them with intense skill SIMON GARFIELD An absolute joy PETE PAPHIDES Engrossing powerful goes way beyond nostalgia DAVID KYNASTON With temperatures soaring to 35°C severe water shortages and a sunburned population queuing at the standpipes the summer of 1976 was always remembered as Britain's hottest But the wave that hit the UK that year was also cultural and political with upheaval on the streets in parliament on the cricket pitch and on the radios and TV sets of a nation at a crossroads Before this blistering summer Britain seemed stuck in the post war era a country where people were all in it together as long as you were white male and straight In July Tom Robinson writes a song called Glad to be Gay and by August bank holiday Black youth are making the police run for their lives in the almighty riot at the Notting Hill Carnival But with the Labour Prime Minister Harold Wilson suddenly quitting the pound sinking and the economy tanking a restless immigrant population and increasing dissatisfaction in the old world order the weather seemed to boil up the country to the point where the lid blows off Weaving

a rich tapestry of the news stories of the year with social commentary and dozens of first person interviews with those that were there at the time Williams's reappraisal of the summer of 76 is an evocative sometimes nostalgic but always an unflinching read Heatwave takes us back to relive the events of that summer and asks have we really moved on as much as we would have liked *Berkmann's Cricketing Miscellany* Marcus Berkmann,2019-07-11 Marcus Berkmann author of the cricket classics *Rain Men* and *Zimmer Men* returns to the great game with this irresistible miscellany of cricketing trivia stories and more fascinating facts than Geoffrey Boycott could shake a stick of rhubarb at Which England captain smoked two million cigarettes in his lifetime Which Australian captain asked what his favourite animal was said Merv Hughes What did Hitler think of cricket Which National Hunt trainer had a dog called Sobers Who was described in his obituary as perhaps the only unequivocally popular man in Yorkshire No other sport is so steeped in oddness and eccentricity There's the only Test player ever to be executed for murder the only first class cricketer to die on the Titanic and the only bestselling author to catch fire while playing at Lord's It was Sir Arthur Conan Doyle The ball hit a box of matches in his pocket All cricket is here including an XI entirely made up of players who share their names with freshwater fish *Cricketing Caesar* Mark Peel,2020-05-11 Mike Brearley was one of England's greatest captains thrice winning the Ashes including the memorable series of 1981 He also led Middlesex to four county championships and two Gillette Cup wins In this first ever biography of Brearley Mark Peel assesses the many facets of his complex personality to explain his phenomenal success as a leader

Cricket's Changing Ethos Jon Gemmell,2018-04-28 This book examines historically how cricket was codified out of its variant folk forms and then marketed with certain lessons sought to reinforce the values of a declining landed interest It goes on to show how such values were then adapted as part of the imperial experiment and were eventually rejected and replaced with an ethos that better reflected the interests of new dominant elites The work examines the impact of globalisation and marketization on cricket and analyses the shift from an English dominance on a sport that is ever increasingly being shaped by Asian forces The book's distinctiveness lies in trying to decode the spirit of the game outlining a set of actual characteristics rather than a vague sense of values An historical analysis shows how imperialism nationalism commercialism and globalisation have shaped and adapted these characteristics As such it will be of interest to students and scholars of sport sociology post colonialism globalisation as well as those with an interest in the game of cricket and sport more generally *Test Cricket* Tim Wigmore,2025-04-24 Wonderfully wide focused unfailingly readable and laced with passages of insightful analysis Tim Wigmore's history of test cricket is a true tour de force David Kynaston Much more than simply a history of Test cricket this is a colourful modern take on the sport's most treasured format I've commented on over 400 Tests and learned so much from this wonderful book Wigmore lays bare the challenges Test cricket faces and the fight required to preserve it Jonathan Agnew BBC Test Match Special Hugely informative and enjoyable a fantastic achievement A must read for all cricket lovers Peter Frankopan Excellent Mike Atherton A vibrant global history of the oldest form of cricket
