Growing in Character Carl Simmons, 2015-02-04 Learning to grow spiritually is a lifelong adventure. The From Disciples to Disciplers series was developed to walk each participant on that journey of personal spiritual growth. Each of the six seasons books in the series contains 13 lessons for small groups, adult Sunday school or 1 on 1 discipleship. After you've been grounded in your relationship with Jesus, how does that shine into the rest of your life? That's where Season 2 Growing in Character comes in. This season focuses on how you can invite Jesus into your most important relationships: your family, friends, the people you work with, and how to keep Jesus at the center of all of them.

Transitioning from an Ethnic to a Multicultural Church Byoung Ok Koo, 2019-12-20 Multicultural churches help us understand God's will for us to become one in this multicultural world and experience a heavenly gathering in advance. This book based on case studies of four multicultural churches provides insights and knowledge regarding minority dominant multicultural churches in the United States. Many multicultural churches in America are mainly concerned about racial reconciliation between the white and the black. On the other hand, resources concerning minority dominant multicultural churches are scant. With the special attention on Korean immigrant churches, this book contributes to the body of knowledge regarding minority dominant multicultural churches. Specifically, this book provides a model transition process called the Windmill T process to facilitate the movement of monocultural, monoethnic churches in taking steps towards acquiring the characteristics of multicultural churches. In addition, this book touches on the issue of evangelism in the multicultural church. Although there is limited insight, the book describes what factors first draw different racial/ethnic people to a church and

what factors cause them to stay there All in all this book will guide you to a deeper understanding on multicultural churches and its practices for all nations beyond ethnic racial identities World Christian Encyclopedia David B. Barrett,2001
