Medical Internet of Things Anirban Mitra,Jayanta Mondal,Anirban Das,2021-10-28 In recent years the Medical Internet of Things MIoT has emerged as one of the most helpful technological gifts to mankind With the incredible development in data science big data technologies IoT and embedded systems it is now possible to collect a huge amount of sensitive and personal data compile it and store it through cloud or edge computing techniques However important concerns remain about security and privacy the preservation of sensitive and personal data and the efficient transfer storage and processing of MIoT based data Medical Internet of Things Techniques Practices and Applications is an attempt to explore new ideas and novel techniques in the area of MIoT The book is composed of fifteen chapters discussing basic concepts issues challenges case studies and applications in MIoT This book offers novel advances and applications of MIoT in a precise and clear manner to the research community to achieve in depth knowledge in the field This book will help those interested in the field as well as researchers to gain insight into different concepts and their importance in multifaceted applications of real life This has been done to make the book more flexible and to stimulate further interest in the topic Features A systematic overview of concepts in Medical Internet of Things MIoT is included Recent research and some pointers on future advancements in MIoT are discussed Examples and case studies are included It is written in an easy to understand style with the help of numerous figures and datasets This book serves as a reference book for scientific investigators who are interested in working on MIoT as well as researchers developing methodology in this field It may also be used as a textbook for postgraduate level courses in computer science or information technology

Communications, Signal Processing, and Systems Wei Wang,Xin Liu,Zhenyu Na,Baoju Zhang,2024-04-17 This book brings together papers presented at the 2023 International Conference on Communications Signal Processing and Systems which provides a venue to disseminate the latest developments and to discuss the interactions and links between these multidisciplinary fields Spanning topics ranging from Communications Signal Processing and Systems this book is aimed at undergraduate and graduate students in Electrical Engineering Computer Science and Mathematics researchers and engineers from academia and industry as well as government employees such as NSF DOD DOE

MotorBoating ,2007-05 **Telemedicine** Georgi Graschew,Stefan Rakowsky,2011-06-20 Telemedicine is a rapidly evolving field as new technologies are implemented for example for the development of wireless sensors quality data transmission Using the Internet applications such as counseling clinical consultation support and home care monitoring and management are more and more realized which improves access to high

level medical care in underserved areas The 23 chapters of this book present manifold examples of telemedicine treating both theoretical and practical foundations and application scenarios Cloud Computing in Smart Energy Meter Management G. Senbagavalli,T. Kavitha,N. Amuthan,Ferdin Joe John Joseph,2025-06-04 Cloud Computing in Smart Energy Meter Management equips you with essential insights and practical solutions for effectively managing smart meter data through cutting edge technologies like artificial intelligence and cloud computing making it an invaluable resource for anyone looking to enhance their understanding of modern energy management Cloud Computing in Smart Energy Meter Management presents a structured review of the current research on smart energy meters with artificial intelligence and cloud computing solutions This book will help provide solutions for processing and analyzing the massive amounts of data involved in smart meters through cloud computing Readers will learn about data storage processing and dynamic pricing of smart energy data in the cloud as well as smart metering concepts dealing with the flow of power consumption from consumer to utility center It offers an in depth explanation of advanced metering infrastructure AMI which includes meter installation meter advising commissioning integration master data synchronization billing customer interface complaints and resolution In smart cities components in household energy meters are fitted with sensors and can interconnect with the Internet of Things to measure power consumption with an automated meter reading This book also acts as a new resource describing new technologies involved in the integration of smart metering with existing cellular networks Cloud Computing in Smart Energy Meter Management provides knowledge on the vital role played by artificial intelligence and cloud computing in smart energy meter reading with precise evaluations Intelligent Manufacturing and Mechatronics Mohd Najib Ali Mokhtar,Zamberi Jamaludin,Mohd Sanusi Abdul Aziz,Mohd Nazmin Maslan,Jeeferie Abd Razak,2022-01-24 This book presents the proceedings of SympoSIMM 2021 the 4th edition of the Symposium on Intelligent Manufacturing and Mechatronics Focusing on Strengthening Innovations Towards Industry 4.0 the book is divided into five parts covering various areas of manufacturing engineering and mechatronics stream namely intelligent manufacturing and artificial intelligence Instrumentation and control design modelling and simulation process and machining technology and smart material The book will be a valuable resource for readers wishing to embrace the new era of Industry 4.0 *Role of Higher Education Institutions in Achieving Sustainable Development Goals* Sri Sairam College of Engineering,2022-08-01 Contains papers related to Role of Higher Education Institutions in Achieving Sustainable Development Goals *Asian Sources Telecom Products* ,2002 *Proceedings of Third International Conference on Computing and Communication Networks* Giancarlo Fortino,Akshi Kumar,Abhishek Swaroop,Pancham Shukla,2024-07-20 This book includes selected peer reviewed papers presented at third International Conference on Computing and Communication Networks ICCCN 2023 held at Manchester Metropolitan University UK during 17-18 November 2023 The book covers topics of network and computing technologies artificial intelligence and machine learning security and privacy communication systems cyber physical systems

data analytics cyber security for industry 4.0 and smart and sustainable environmental systems **Artificial Intelligence, Blockchain, Computing and Security Volume 1** Arvind Dagur, Karan Singh, Pawan Singh Mehra, Dharendra Kumar Shukla, 2023-12-01 This book contains the conference proceedings of ICABCS 2023 a non profit conference with the objective to provide a platform that allows academicians researchers scholars and students from various institutions universities and industries in India and abroad to exchange their research and innovative ideas in the field of Artificial Intelligence Blockchain Computing and Security It explores the recent advancement in field of Artificial Intelligence Blockchain Communication and Security in this digital era for novice to profound knowledge about cutting edges in artificial intelligence financial secure transaction monitoring real time assistance and security for advanced stage learners researchers academicians The key features of this book are Broad knowledge and research trends in artificial intelligence and blockchain with security and their role in smart living assistance Depiction of system model and architecture for clear picture of AI in real life Discussion on the role of Artificial Intelligence and Blockchain in various real life problems across sectors including banking healthcare navigation communication security Explanation of the challenges and opportunities in AI and Blockchain based healthcare education banking and related industries This book will be of great interest to researchers academicians undergraduate students postgraduate students research scholars industry professionals technologists and entrepreneurs *Inspection and Monitoring Technologies of Transmission Lines with Remote Sensing* Yi Hu, Kai Liu, 2017-03-17 Inspection and Monitoring Technologies of Transmission Lines with Remote Sensing helps readers build a thorough understanding of new technologies and world class practices developed by the State Grid Corporation of China the organization responsible for the world's largest power distribution network Monitoring the operational status of high voltage transmission lines is critical in supply assurance and continuity Given the physical size geographical and climate variances that transmission lines are subject to remote sensing and inspection is a critical technology for power distribution organizations This reference covers current and developing technologies equipment and methods for the safe and secure operation and maintenance of transmission lines including satellite remote sensing technology infrared and ultraviolet detection technology helicopter inspection technology and condition monitoring technology Covers operational and technical principles and equipment used in transmission line inspection and monitoring with a focus on remote sensing technologies and solutions Covers power line fundamentals remote sensing technologies inspection technologies fault detection technologies and on line monitoring Focuses on practical equipment and systems parameters to ensure readers are able to meet operational needs Covers control technologies that ensure safe and consistent transmission operation Information and Communication Technology for Intelligent Systems (ICTIS 2017) - Volume 1 Suresh Chandra Satapathy, Amit Joshi, 2017-08-07 This volume includes 74 papers presented at ICTIS 2017 Second International Conference on Information and Communication Technology for Intelligent Systems The conference was held on 25th and 26th March 2017 in Ahmedabad India and organized jointly by the Associated Chambers of
