Hansel Und Gretel Libretto Adelheid Wette:

Hansel and Gretel: A Fairy Opera in Three Acts Engelbert Humperdinck, Adelheid Wette, 2020-09-28 Hansel and Gretel is an opera in three acts the music by Engelbert Humperdinck and the libretto by Adelheid Wette It is the German version of the old nursery legend Babes in the Wood The first scene discloses a wretched homestead The two children Hansel and Gretel are at work the boy making brooms and the girl knitting stockings They both complain of feeling very hungry and there isn't a thing in the house Yes there's a jug of milk that will make nice blanc mange when mother comes home Hansel tastes it and Gretel raps his fingers He says he won't work any more and proposes they dance instead Gretel is delighted He is very awkward at first but she teaches him the steps and they are getting along so famously that they whirl around the room and fall exhausted on the floor At this moment the mother enters and she is so angry at seeing them do no work that she boxes their ears for it In her excitement she gives the milk pitcher a push It falls off the table breaks in pieces and spills all the milk At this she is beside herself and seizes a basket and tells the children to go to the wood and pick strawberries They must not come home till the basket is full They run off while she weary of life sits sobbing herself to sleep The father is heard in the distance with a joyous song and enters in a joyful mood He wakes up his unhappy wife to tell that he has sold all his brooms at the fair for splendid prices and he shows his basket full of provisions Both are thus in fine humor when he asks where the children are She says she sent them away in disgrace to the Ilsenstein The Ilsenstein he exclaims where the witches ride on broomsticks and devour little children Exclaiming Oh horror she runs out of the house he after her to find Hansel and Gretel The second act shows a forest Gretel is making a garland of wild roses while Hansel is looking for strawberries In the background is the Ilsenstein It is sunset Hansel crowns Gretel queen of the wood and she allows him to taste a strawberry He gives her one in return and little by little they devour them all Then they are frightened They want to pick more but it is getting too dark They want to leave but cannot find the way Gretel fears being in the dark but Hansel is very brave She sees faces in trees and stumps and he calls out to reassure her Echo answers and he grows frightened too They huddle together as a thick mist arises which hides the background Gretel terror stricken falls on her knees and hides behind Hansel At this moment a little man appears as the mist rises and quiets them It is the Sandman and he sings them to slumber Half awake they say their evening prayer and sink down on the moss in each other's arms A dazzling light then appears the mist rolls itself into a staircase and angels pass down and group themselves about the two sleeping children
