Happiness Genes Unlock The Positive Potential Hidden In Your Dna:

Happiness Genes James D. Baird, Laurie Nadel, 2010-01-01 *Happiness Genes* proves that there is a definitive link between science and spirituality that you are biologically wired for natural happiness You have a constitutional right to life liberty and the pursuit of happiness And every day thousands of advertising images seduce you into believing that happiness can be bought Put away your wallet Happiness is at your fingertips it s sitting right in your DNA The new science of epigenetics reveals that there are reserves of natural happiness within your DNA that can be controlled by you your emotions beliefs and your behavioral choices *Happiness Genes Unlock the Positive Potential Hidden in Your DNA* examines the nature and source of happiness from ancient times to the present It presents the epigenetic and other biological research that shows that DNA contains genes for natural happiness and your ultimate well being Then it details the 28 Day natural happiness program you ll learn how to switch on your happiness genes creating a biological cascade of well being *Happiness Genes* James D. Baird, Laurie Nadel, 2010 *Happiness Genes* James D. Baird, Laurie Nadel, 2010-04-20 How the science of epigenetics reveals that we re wired for natural happiness includes a 28 day plan to create a biological cascade of well being *Happiness Genes* explores the surprising link between science and spirituality and makes it clear that happiness can t be bought It s actually at our fingertips or more precisely in our DNA The new science of epigenetics reveals that there are reserves of natural happiness within your DNA that can be controlled by you your emotions beliefs and behavioral choices This book examines the nature and source of happiness from ancient times to the present It presents the epigenetic and other biological research that shows that DNA contains genes for natural happiness and your ultimate well being Then it details the 28 Day natural happiness program to show you how to switch on your own happiness genes *Changing Our Genetic Heritage* Ariann Thomas, 2018-08-16 *Changing Our Genetic Heritage* Creating a New Reality for Ourselves and Future Generations is a practical guide on healing the inherited genetic patterns in our lives on every level with practices to repair ill health poverty poor relationships bad career choices and lack of joy in life Most of us are limited by beliefs and wounds from our ancestors cultures our families histories and the worlds stories that we unconsciously adopt in our lives These beliefs keep us from our full potential of happiness With multiple references to current scientific studies and her own case studies with clients Ariann demonstrates that it is possible to change deeply held patterns of beliefs Thus we can move into a full and rich life filled with everything we desire By releasing the negative beliefs of our unworthiness held for generations and incorporating activities scientifically shown to repair and improve our genetic health the reader is lead to the inevitable conclusion that each of us can change life for the better The most impressive concept is that the changes we make can influence future generations When we affect our genes we also affect the genes of future generations Brilliantly Deciphered for the Lay Person *Changing Your Genetic Heritage* Creating a New Reality for Ourselves and Future Generations by Ariann Thomas is a practical guide that deciphers the Science of Changing Your DNA and Hereditary patterns without all of the

scientific jargon but with plenty of references to back up her findings She also provides guidance and insight that will help you to understand how your heredity is impacting your life along with simple steps to get started on your healing journey If you have ever wondered if you are destined to live a life based on your DNA or Heredity you will learn about the science that has proven it is not only possible to change your DNA and Heredity but by doing so you will impact the lives of future generations as well Krystalya Marie International speaker and trainer and best selling co author with Wayne Dyer Mark Victor Hansen and Deepak Chopra
