Happy Thanksgiving Day Touch And Feel :

The Roses of Love Bloom in My Christianity and Neurosurgery Patients Ramsis F. Ghaly MD, 2022-04-26 This is my 16th book in a series of books under the heading of Christianity and the Human Brain It is about my continuing love to our lord Savior Jesus Christ and for my special passion for Neurosurgery I am grateful I am able to fully commit to Neuroscience and my Neurosurgery patients It is the collection of roses of love on our journey that transforms where we are in the planet earth into a heavenly garden Two decades ago I felt compelled to begin sharing the synopsis of my journey as a committed Christian Neurosurgeon and Anesthesiologist actively practicing patients care in America close to four decades Indeed as many have experienced our journey is full of stories that put demand on us for the coming new generations to write about as our deep faith in Christianity opens our own eyes to see our ears to hear our minds to reflect and our hands to write My greatest honor is to take the reader through more of my roses of love journey in my life in Medicine with Neurosurgery patients Residents and Trainee in Christmas through my Deep Spiritual Reflections personal views and healthcare matters with living examples The book contains eleven sections distributed in 89 chapters covering topics including love and Roses Thanksgiving Deep reflections Way to Soon My Christmas Christmas with My Patients Special Christmas Human Trafficking Christian Persecution Synopsis in My Medical Journey Healthcare Patients Testimonial stories and Patients quotes The present book compliments my previous 15 books My prayer is to be a positive influence to you and yours in our Lord Jesus Christ Name For Thine is the Kingdom the Power and the Glory for ever and ever Amen **Keep Those Clients** Laurie Delk, 2016-08-11 What is Relationship Marketing and how do I do it Relationship Marketing is a facet of Customer Relationship Management CRM focusing on customer loyalty and long term customer engagement rather than short term goals like customer acquisition and individual sales It is a management strategy designed to encourage strong and lasting connections to your brand service or product The goal is to turn your prospects into loyal customers who will then generate repeat sales and encourage and give word of mouth promotions referrals Yes the goal is create loyal long term referring customers I say this with humility as many of us should bring a bit of humility to our business and let go of expectations Be respectful of yourself and your customers clients referrals and potential clients Don t force people into liking you Value your message because you value yourself as the messenger The value you place in yourself as the messenger is the confidence you need to take the necessary steps outlined in this book You may be thinking I don t own my own business I work for someone else Well then this information is still for you Even if you are working in someone else s business we better ourselves our personal business sales when we live and believe we are working for ourselves If you are a sales person account representative working on commission etc know and understand this you are working for yourself Your effort directly effects your result income You will get out of a relationship what you put into the relationship When I started my web and graphic design business back in 1994 my Dad told me Never mix business with personal and never mix business with

religion Back then he was right maybe But now a days that is not so Now a days people are craving relationships Maybe it has something to do with so many hiding behind the computer screen their phones etc We need that extra something when it comes to human contact People want to know who you are they want to see the real you We all struggle at some point in our lives with a specific question Where do I fit in It is our relationships it is who we have relationships with that tells us exactly where we fit into this crazy world Building a Relationship Relationships all start in the same place Two strangers meeting and desire to get to know each other Sometimes there are sparks in the beginning sometimes the relationship requires time Building a relationship requires 2 people to show and be who they are Building a true relationship is about letting the authentic you shine through Building a quality relationship requires your heart to lead you the wall must come down When our wall comes down the other person in the relationship can and will feel comfortable letting their wall down as well We are sharing a story and creating a new part of the story together Isolation doesn't build anything but loneliness So the question is how does the wall come tumbling down One of the ways I let my heart and authentic me shine through is cards I have always sent out cards for everything Think about a rose for a moment The petals are all wrapped tightly in the beginning Slowly a petal opens With each petal that opens a new picture is created Something beautiful happens All the petals are open the rose is in full bloom And inside that bloom we find the seeds The seeds of life Cards for me are the seeds of life Sharing moments with my friends my prospects my clients are the petals slowly opening Each card develops a deeper meaning until one day the picture is complete Yes I send cards to celebrate and share all occasions Thank you for your business nice to meet you thank you for talking to me birthday Christmas anniversary etc This is how I built a six figure business sitting at home behind a computer while nursing babies
