Remembering Emmett Till Dave Tell,2019-05-01 Communications professor Dave Tell explores the thin line between honoring and exploiting a murder victim s memory in Remembering Emmet Till Take a drive through the Mississippi Delta today and you ll find a landscape dotted with memorials to major figures and events from the civil rights movement Perhaps the most chilling are those devoted to the murder of Emmett Till a tragedy of hate and injustice that became a beacon in the fight for racial equality The ways this event is remembered have been fraught from the beginning revealing currents of controversy patronage and racism lurking just behind the placid facades of historical markers In Remembering Emmett Till Dave Tell gives us five accounts of the commemoration of this infamous crime In a development no one could have foreseen Till s murder one of the darkest moments in the region s history has become an economic driver for the Delta Historical tourism has transformed seemingly innocuous places like bridges boat landings gas stations and riverbeds into sites of racial politics reminders of the still unsettled question of how best to remember the victim of this heinous crime Tell builds an insightful and persuasive case for how these memorials have altered the Delta s physical and cultural landscape drawing potent connections between the dawn of the civil rights era and our own moment of renewed fire for racial justice A fine history of racism poverty and memory in the Mississippi Delta told through the lynching of Emmett Till a black 14 year old from Chicago whose murder in 1955 made him an early martyr of the civil rights movement The Economist *World War I Battlefields: A Travel Guide to the Western Front* John Ruler,Emma Thomson,2023-11-10 Thoroughly updated for this new third edition Bradt s World War I Battlefields remains the only compact practical travel guide to cover both French and Belgian battlefield sites involved in one of the deadliest conflicts in human history which changed the face of foreign policy and European geography forever The 2014 18 centenary of the First World War was a huge catalyst for battlefield tourism

leading to a proliferation of innovative new museums memorials commemorative trails statues and more which are comprehensively covered in this update Co authored by two award winning travel writers this lightweight and pocket friendly guidebook is perfect for visitors It covers all the main sites memorials and museums of the entire Western Front alongside practical information such as travelling there and getting around and how to book the best guided tours In the Belgian section of the book chapters cover Ypres and the Ypres Salient Poperinge Heuvelland and Messines Mesen Diksmuide Veurne and Nieuwpoort and Mons In the French section as well as the Somme battlefields in Le Nord and Lille are featured as are those in Pas de Calais Aisne and Marne Champagne and Verdun Visiting well known Somme sights such as Thiepval the Somme 1916 Museum Longueval Le Hamel and Villers Bretonneux is a must for many visitors But so too are Arras and the information centre dedicated to the Battle of Vimy Ridge the Battle of Fromelles Museum the Cambrai Tank 1917 museum the Marne 14 18 Interpretation Centre and the Sir John Monash Centre which tells the story of Australian soldiers Western Front experiences in both countries This updated and expanded edition features new information on the valuable contribution made by Black Indian and Caribbean soldiers There is also refreshed detailed advice on how to find the resting place of family members lost in battle For history buffs those on battlefield tours relatives of those who fought school groups and students there is no finer guidebook to visiting Great War sites in both countries than Bradt's World War I Battlefields
