Christine Cocker, Lucille Allain

Groupwork Practice In Social Work Transforming Social Work Practice Series:

Groupwork Practice in Social Work Trevor Lindsay, Sue Orton, 2008 Groupwork Practice in Social Work introduces the practicalities of planning establishing facilitating and evaluating social work projects and contains common sense guidance on setting up facilitating and closing small helping groups inter professional and other groups **Groupwork Practice for Social Workers** Karin Crawford, Marie Price, Bob Price, 2014-12-01 Working with families carers groups and communities is something all social work students must prepare for Written to guide you through these varied and complex groupwork situations this book explores the knowledge skills and values required for groupwork practice Divided into two parts the first provides an understanding of groupwork its concepts and contexts while the second takes you step by step through groupwork practice from planning and preparation to starting out facilitating and finally ending work with a group Different service contexts including work with children with users who have learning disabilities in mental health settings and more are covered throughout the book with case studies activities and reflective opportunities helping you to understand the complexities of these contexts This text is a comprehensive and contemporary guide to groupwork in social work today

Social Work Intervention Trevor Lindsay, 2013-03-19 Since launching in 2003 Transforming Social Work Practice has become the market leading series for social work students These books use activities and case studies to build critical thinking and reflection skills and will help social work students to develop good practice through learning Social workers need to have a sound working knowledge of intervention as they are often balancing complex and sometime stressful circumstances with the individual needs of the service users Also as there are a wide range of social work interventions in current practice students will benefit from knowing the advantages and disadvantages of each model and approach This book on effective social work intervention will help students apply and integrate this knowledge in practice to critically evaluate different methods and to choose the most effective in any particular set of circumstances Fully revised to include new material on value based practice and direct links to the new Professional Capabilities Framework for Social Work this second edition is essential reading for all social work students **Groupwork Practice in Social Work** Trevor Lindsay, Sue Orton, 2011-07-01 Social work degree students must be confident in working with groups of service users as well as other professionals This revised new edition introduces the practicalities of planning establishing facilitating and evaluating social work projects including small helping groups as well as interprofessional working parties The authors examine the best methods in setting up a group the issues around power and anti oppressive practice and how to cope with unexpected or unhelpful outcomes This second edition features new material on sociodrama and psychodrama action methods with more examples from actual groupwork projects **Social Work Intervention** Trevor Lindsay, Emma McGinnis, Cathy Jayat, 2009-06-30 Social workers need to have a sound working knowledge of a range of ways of working with the people who use their services They also need to be able to apply and integrate this knowledge in practice to critically evaluate different

methods and to choose the most effective in any particular set of circumstances This book provides a hands on guide to the most common methods of helping social work service users and to dealing with some difficult situations

Reflective Practice in Social Work Christine Knott,Terry Scragg,2010-04-16 Reflective practice is a key element of learning and development on social work courses This fully updated new edition explores a range of approaches to reflective practice and includes sections on gender reflecting on emotion and using reflection as a catalyst for change as well as asking the fundamental question what is reflective practice Written in three parts this essential guide starts with a broad exploration of reflection drawing on some key texts that have informed its development It then moves on to real practice issues including the management of social work practice and interprofessional working

New Directions in Social Work Practice Kieron Hatton,2008-03-31 This book investigates the main influences shaping social work practice now and in the future Aimed at second and third year undergraduates and postgraduates it looks at current developments such as the rise of the service user movement and the influence of European perspectives In addition it draws on national policy developments including Every Child Matters Valuing People and Common Assessment Frameworks It also develops themes around interprofessional multi agency work common learning and enhancing the voluntary sector s role in service delivery Supported by activities and case studies it is an excellent follow on to the Learning Matters title What is Social Work

Working with Aggression and Resistance in Social Work Brian J. Taylor,2011-06-16 Social workers have roles that require them to engage with clients and families who may be reluctant clients ambivalent or resistant towards those seeking to help and protect This includes safeguarding roles in relation to children and vulnerable adults and work to engage with marginalised groups such as young offenders and those with mental health and substance misuse problems The text addresses issues in relation to the main client groups and specific chapters take an overview of issues such as understanding and defusing aggressive behavior and keeping yourself safe from assault

Social Work with Looked After Children Christine Cocker,Lucille Allain,2008-05-15 Written for social work degree students this practical book looks at the experience of children in need who live in state care and the social worker s role in working with these children Topics include relevant studies and legislation residential care foster care adoption and leaving care The book also looks at the needs of children and young people living away from home and discusses both the Looked After Children LAC system and consultation with looked after children Throughout practical examples and case studies encourage readers to apply their new knowledge to practice

Social Work and Mental Health Malcolm Golightley,2008-07-09 This third edition provides a thorough grounding in the key issues in mental health and by highlighting the skills and values that are necessary for contemporary practice helps students to develop their knowledge and understanding to enable them to deliver an appropriate and responsive service for people facing mental health challenges This edition also reflects the recent and important changes to mental health legislation policies and practice including the implementation of the Mental Capacity Act 2005 and the Mental Health Act 2007 which makes significant

amendments to the 1983 MHA including the introduction of the Approved Mental Health Professional **Social Work Assessment** Ruben Martin,2010-05-11 At a time of change and review within social care it is relevant to explore traditional skills knowledge and values associated with assessment in the context of changing practice This book introduces and explores assessment in social work in a user friendly yet comprehensive way The author reviews the interpersonal skills necessary for social work practice applying them particularly to assessment and outlines fundamental knowledge and theoretical models that can inform assessment The professional social work value base underpinning assessment and the power balance between assessor and the person being assessed are also taken into consideration Sexuality and Social Work Julie Bywater,Rhiannon Jones,2007-10-08 Sexuality remains a neglected and largely taboo area within practice but it can be a demanding aspect of social work Social workers may be familiar with the importance of issues such as racism and ethnicity but sexuality is also a very significant part of people s lives closest relationships and sense of identity This valuable resource introduces the topic using a combination of perspectives to consider sexual diversity and examining related issues across the life course including sexual orientation disability HIV sexual abuse mental health and sexual exploitation

Sociology and Social Work Jo Cunningham,Steve Cunningham,2008-03-17 Sociological perspectives and their application to social work are an inherent part of the QAA benchmark statements in the social work degree In addition graduates must understand how sociological perspectives can be used to dissect societal and structural influences on human behaviour at individual group and community levels This title answers the need for a clear core text which integrates the areas of sociology and social work Carefully constructed to be accessible to beginners in the discipline it links sociological concepts debates and theories to subject benchmarks social work occupational standards and codes of practice

Understanding and Using Theory in Social Work Juliette Oko,2012-06-28 Written in an accessible style this title introduces theory as an explanatory framework that is drawn upon by the social worker to inform their decision making process by helping to make sense of what is going on Social Work with Children and Families Maureen O'Loughlin,Steve O'Loughlin,2008-06-09 Working with children and families is a challenging skilled and rewarding area of social work practice It involves working in diverse settings with various groups of professionals such as the police schools hospitals and community organisations The current edition of this popular book has been updated to equip students with the knowledge and skills necessary to undertake essential work with children It also explores social workers values and attitudes in relation to the safety of children and includes references to important legislation such as Every Child Matters Working Together 2006 and the Adoption and Children Act 2002 Youth Justice and Social Work Paul Dugmore,Sally Angus,Jane Pickford,2006-10-06 Structured around the National Occupational Standards this book takes a practical approach to youth justice within social work programmes focusing on social work in a multi agency multi disciplinary youth offending team Using case studies and research this text helps readers to develop skills that support youth justice as well as to understand

debates in youth justice policy and practice including the competing issues of welfare and justice It is suitable for those on the social work degree as well as criminology and criminal justice students hoping to understand social work practice in a youth justice context *Applied Psychology for Social Work* Ewan Ingleby,2010-04-22 Psychology is an important part of the social work syllabus usually studied as a separate module in the first year but also integrated within the academic curriculum This fully updated edition will help students understand the concepts of psychology and apply them to their own practice It shows that for social workers it is important for psychology to be studied in the contexts of social care as it offers potential explanations of complex aspects of human behaviour and development An overview of the key psychological approaches is given and the author demonstrates how these can be applied to social work practice **Social Work with Older People** Karin Crawford,Janet Walker,2008-08-08 This second edition looks in detail at the role of the social worker who engages with older people It enables the reader to develop the key skills required to understand the mental and physical needs of older people in society while encouraging plenty of discussion and critical independent thought Furthermore this book is a source of contemporary research and offers the reader insights into government legislation and policy It is an essential read for any student who wants to develop a distinctive focus on social work with older people **Introducing Social Work** Jonathan Parker,2023-04-05 Everything you need to succeed in your social work degree Written by subject experts this essential guide will introduce you to all the core areas of your course helping you develop the knowledge and skills you need to practice with confidence Since launching in 2003 Transforming Social Work Practice has become the market leading series for social work students These books use activities and case studies to build critical thinking and reflection skills and will help social work students to develop good practice through learning These books are Affordable Written to the Professional Capabilities Framework Mapped to the social work curriculum Practical with clear links between theory and practice *Social Work and Mental Health in Scotland* Steve Hothersall,Mike Maas-Lowit,Malcolm Golightley,2008-04-09 Since the inception of the Scottish Parliament in 1999 mental health law policy practice and ethos have changed dramatically in Scotland This book provides a thorough grounding in the key issues in mental health and presents a clear picture of the current Scottish mental health scene By highlighting the skills and values that are necessary for contemporary practice it helps students to develop their knowledge and understanding to enable them to deliver an appropriate and responsive service for people facing mental health challenges

Thank you enormously much for downloading **Groupwork Practice In Social Work Transforming Social Work Practice Series**. Groupwork Practice In Social Work Transforming Social Work Practice Series Introduction

In today's digital age, the availability of Groupwork Practice In Social Work Transforming Social Work Practice Series books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Groupwork Practice In Social Work Transforming Social Work Practice Series books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Groupwork Practice In Social Work Transforming Social Work Practice Series books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Groupwork Practice In Social Work Transforming Social Work Practice Series versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Groupwork Practice In Social Work Transforming Social Work Practice Series books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Groupwork Practice In Social Work Transforming Social Work Practice Series books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit

organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Groupwork Practice In Social Work Transforming Social Work Practice Series books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Groupwork Practice In Social Work Transforming Social Work Practice Series books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Groupwork Practice In Social Work Transforming Social Work Practice Series books and manuals for download and embark on your journey of knowledge?
