Love Peacock Thomas Love Peacock, William Henry Helm, 1913 *Gryll Grange* Thomas Love Peacock, 2020-06-23 We are delighted to publish this classic book as part of our extensive classic literature collection This book is a reproduction of an important historical work Unlike some other reproductions of classic texts We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos Also in books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy We use state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Mr Gryll I am afraid we live in a world of misnomers and of a worse kind than this In my little experience I have found that a gang of swindling bankers is a respectable old firm that men who sell their votes to the highest bidder and want only the protection of the ballot to sell the promise of them to both parties are a free and independent constituency that a man who successively betrays everybody that trusts him and abandons every principle he ever professed is a great statesman and a Conservative forsooth a nil conservando that schemes for breeding pestilence are sanitary improvements that the test of intellectual capacity is in swallow and not in digestion that the art of teaching everything except what will be of use to the recipient is national education and that a change for the worse is reform Look across the Atlantic A Sympathiser would seem to imply a certain degree of benevolent feeling Nothing of the kind It signifies a ready made accomplice in any species of political villainy A Know Nothing would seem to imply a liberal self diffidence on the scriptural principle that the beginning of knowledge is to know that thou art ignorant No such thing It implies furious political dogmatism enforced by bludgeons and revolvers A Locofoco is the only intelligible term a fellow that would set any place on fire to roast his own eggs A Filibuster is a pirate under national colours but I suppose the word in its origin implies something virtuous perhaps a friend of humanity
