MacDonald, Dirk Nabers, 2019-01-11 This volume is the first to analyze populism's international dimension its impact on and interaction with foreign policy and international politics The contributions to this volume engage conceptual theoretical issues and overarching questions such as the still under specified concept of populism or the importance of leadership and the mass media for populism's global rise They zoom in on populism's effect on both different countries foreign policies and core international concerns including the future of the liberal world order and the chances for international conflict and cooperation more generally Swiftboating America Hans Mahncke, 2024-10-15 The true and complete story behind the Russiagate hoax revealed for the first time How was a Clinton campaign dirty trick turned into an all out effort by factions within the federal government to drive out a sitting president The astonishing story is told from the perspective of a motley crew of Twitter users who against all odds exposed the intricate layers of a political scandal that shook the nation Swiftboating America delves into how these citizen journalists identified the Steele dossier's primary source Igor Danchenko and how they revealed that Danchenko did not have access to the information in the dossier It also explores how the FBI concealed Danchenko from the public eye for four years The book reveals shocking new details about how the FBI's Crossfire Hurricane investigation of the Trump campaign actually began and how Robert Mueller's special counsel office attempted to cover up the FBI's misdeeds Among many other revelations the book presents the previously untold story of how the Clinton campaign fabricated a false data trail that supposedly linked Trump to the Kremlin Meticulously researched and footnoted Swiftboating America is the most comprehensive account of how a combination of the Clinton campaign a former British intelligence officer the FBI the CIA the president the vice president and the media plotted to undermine a presidential candidate and later the president himself Their actions were the greatest act of domestic political sabotage of all time *The Works of Thomas De Quincey, Part II vol 11* Grevel Lindop, Barry Symonds, 2020-03-19 Thomas De Quincey 1785-1859 is considered one of the most important English prose writers of the early 19th century This is the second part of a 21 volume set presenting De Quincey's work also including previously unpublished material

Reclaiming American Catholicism John Gehring, 2025-08 The Catholic Church in the United States stands at a crossroads between crisis and opportunity At a time when only the second Catholic President in U.S. history is shaped by the culture and many social justice teachings of his faith the most vocal leaders in the U.S. Catholic hierarchy embrace a culture war Catholicism that pits them against President Biden the pastoral priorities of Pope Francis and many Catholics in the pews This book based on many interviews and the author's own reporting makes the argument that recalibrating the church's engagement with politics and public life is vital for both the Church and the country Yet American Catholicism is not simply

defined by church politics theological disputes or the latest Catholic controversy in the headlines The Church that Pope Francis envisions bruised hurting and dirty because it has been out on the streets can be found every day among Catholic advocates working on the border in the lives of young Catholics who question the church's teachings but who are active in social justice campaigns in the persistence of LGBTQ Catholics who carve out tenuous shelters in a church that doesn't accept their full humanity and in the experiences of seminarians who work in the fields with migrants as part of their religious formation Throughout the book incorporates profiles of these Catholics weaves in on the ground reporting and examines trends that are essential in understanding the Catholic experience in the United States By illuminating the stories of these Catholics the book provides a richer portrait of American Catholicism than most people see in the media as well as offering living examples of a pastoral and prophetic Catholicism that can serve as inspiration for more systemic reform and renewal

God, Are You Serious? Kay Jemison, 2008-12 This is not your average or even ordinary collection of stories Most young adults dream of the day when they are freed from the nest to take on the world and finally be independent But for Kay Jemison did this come at too high a price A rollercoaster ride is typical but Kay didn't bargain on a never ending coaster of lies bank robbery attempted murder and abusive relationships Often stopping to ask God why her deck of cards was always stacked against her she found herself wavering on getting to know Him But something wouldn't let her give up on God or life despite each negative experience Her ambition led her to an encounter with God hoping to get answers to her unanswered questions Kay discovered that out of an overdeveloped sense of personal obligation she often repeated mistakes that risked her life despite the danger signs Enemies were camouflaged as friends friends lacked commitment and integrity Characters grew increasingly bizarre God chose Kay having His hand on her life long before she even knew He existed This story's heart is about perseverance and ambition for one's destiny while developing a relationship with God
