

A painting depicting a Victorian-era street scene. In the background, a large brick factory with a tall chimney emitting smoke stands against a hazy, yellowish sky. The street is paved with cobblestones and lined with brick buildings. In the foreground, several women are gathered. One woman in a red dress is seated on the left, looking down. Another woman in a white dress is seated next to her, holding a small object. A third woman in a white dress and blue apron is standing, looking towards the right. A fourth woman in a white dress is seated on the right, holding a small object. The overall atmosphere is one of hardship and poverty.
