**Popular Science** ,1958-10 Popular Science gives our readers the information and tools to improve their technology and their world The core belief that Popular Science and our readers share The future is going to be better and science and technology are the driving forces that will help make it better      **After Misogyny** Julie C. Suk,2023-04-11 Decades after liberal constitutional democracies ended the laws of patriarchy and committed to gender equality misogyny still pervades women s lives Often expressed as hatred and discrimination against women misogyny is the legal aftermath of patriarchy which goes beyond attacking and belittling women After Misogyny reframes misogyny as society s overentitlement to women s forbearance and sacrifices which continues to be expressed in the law even after patriarchy has been repudiated Women s contributions both inside and outside the home are radically undercompensated and highly beneficial to society especially the reproductive work of childbearing and childrearing From antidiscrimination law to abortion bans the law fails women by keeping the dynamics of social overentitlement and male overempowerment invisible In recent years many constitutional democracies have used new processes of constitution making and constitutional change to reset entitlements and power After Misogyny shows how movements to reset these baseline entitlements are necessary for constitutional democracies to overcome misogyny      **Catalogue of the Cathedral Library** Cathedral Church (CALCUTTA).
