Monthly Catalog of United States Government Publications, 1994 The Morning Star and Free Baptist, 1908 1979 Ray Robertson, 2018-03-06 It's 1979 and Tom Buzby is thirteen years old and living in the small working class city of Chatham Ontario. So far so normal. Except that Tom's dad is the local tattoo artist, his mother is a born again former stripper who's run off with the minister from the church where the pet store used to be and his sister can't wait to leave town for good. And everyone along his daily newspaper route looks at him a little differently, this boy who's come back from the dead who just might be the only one who understands the miraculous heart-breaking mystery that is their lives. Set in the year that real newspaper headlines told of North America's hard turn to the right, 1979 offers a smalltown take on the buried lives of those who almost never make the news and one boy's attempt to make sense of it all.

New York Magazine, 1997-04-28 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea.
